Area Voters Aid Demo Margin

Quad-City area voters added their voice in electing all candidates on the Democratic side of the ballot in Tuesday's general election as 19,741 persons showed up at 58 precinct polling places.

All Democratic candidates for county offices as well as for the office of state senator received strong support here.

In addition, local voters rejected Granite City's native son, Ralph T. Smith, for the U. S. Senate as 32 Granite City township precincts gave Adlai Stevenson a 3 to 2 margin, while all Quad-City precincts extended the gap to a 2 to 1 margin.

Smith carried five Granite City precincts, including one by a one-vote margin, and another in a Nameoki township precinct.

Quad-City results for county offices showed:

For county clerk — Eulalia Hotz (D), 14,129, Pat Urban (R), 5133; for county treasurer —George Musso (D), 12,736, Allan O. Claus (R), 6050; for sheriff—John Maeras (D), 13,122, Louis Bowman (R), 6194; and for superintendent of the educational service region — Wilbur R. L. Trimpe (D), 14,236, Clifford E. Tinsley (R), 4793.

Other area results included:

For U. S. senator—Stevenson (D), 13,089, Smith (R), 6762; for state treasurer — Alan J. Dixon (D), 13,940, Edmund Kucharski (R), 4966; for superintendent of public instruction, Michael Bakalis (D), 12,570, Ray Page (R), 6360; for clerk of the appellate court—Walter T. Simmons (D), 13,787, David Mallett (R), 4859.

For representative in Congress, Melvin Price (D), 15,940, Scott R. Randolph (R), 3119; for state senator—Sam Vadalabene (D), 13,599, Merrill Ottwein (R), 6560; for state representative—Horace L. Calvo (D), 24,907, Leland J. Kennedy (D), 18,835, Robert J. Walters (R), 11,165; for judge of the supreme court—Joseph Goldenhersh (D), 14,140, Harold R. Clark (R), 6209.

Area voters elected to retain Appellate Court Judge George Moran by a vote of 9693 to 1308, and the three circuit judges—Joseph J. Barr, 9274 to 1189; Harold R. Clark, 8884 to 1285; and James Monroe, 8950 to 1051.

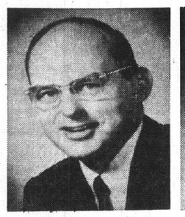

The anti-pollution bond issue proposal carried here by a vote of 8384 to 3081, and the blue ballot amendment eliminating the personal property tax swept through by 16,865 to 2419.

The total vote of 19,741 was considerably under the 28,000 estimate as cold, damp weather was dominant during the day. In the general election two years ago a total of 29,170 voters turned out.

Of Quad-City participation, 10,832 ballots were cast in the 32 Granite City precincts, 3750 in the 11 Venice township precincts, 3435 in the 11 Nameoki township precincts and 1715 in the four Chouteau township precincts.

The largest precinct vote was at Granite City 17 where 724 ballots were cast.

Maeras, Vadalabene Elected; Democrats Sweep All Offices

John Maeras of Madison was elected sheriff and Sam Vadalabene of Edwardsville was elected state senator of the 53rd senatorial district Tuesday in a sweep of voting pluralities for every Democratic candidate on the ballot in Madison county.

Unofficial election returns from all of Madison county's 193 precincts (58 of them in the Quad-City area) gave the Democratic candidates majorities ranging from 3662 votes for George Musso, who trailed the ticket as candidate for county treasurer, to 16,892 for Miss Eulalia Hotz who led all candidates on the county, district and state ballot as the candidate for re-election as county clerk.

At the state level, Madison county voters favored Adlai Stevenson III in the U.S. Senatorial race, Alan J. Dixon for state treasurer and Michael J. Bakalis for superintendent of public instruction, all on the Democratic ticket, by substantial majorities.

An estimated 72,296 voters went to the polls throughout the county, about 20,000 less than had been predicted in the heat of the campaign. Rainy weather contributed to a slackening in the voting. Voting machines were used in all Madison county precincts for the first time.

Madison county voters also gave resounding pluralities to the $750 million water pollution bond issue proposal and to the proposed constitutional amendment to eliminate personal property valuations for individuals.

They also voted substantial majorities for retention of all three circuit judges, James O. Monroe, Harold Clark and Joseph Barr, and for retention of Appellate Judge George J. Moran.

Maeras' victory over his Republican opponent, Louis Bowman of Alton, climaxed a spirited campaign marked by rumors of trades and deals that were reported to have handicapped Maeras' chance of victory.

In the 193 Madison county precincts, however, Maeras polled a total of 39,840 votes on the basis of unofficial returns, a plurality of 6,373 over Bowman's total tally of 33,467 votes.

Miss Hotz polled a total of 43,604 votes to head all candidates on the ballot, including the U.S. Senator race, to beat her opponent, Pat Urban, by a majority of 16,892. Urban received a tally of 26,712 votes to trail the Republican ticket in countywide voting.

Wilbur Trimpe, incumbent Democratic superintendent of the educational serivce region, was re-elected handily with 42,867 votes over 27,243 cast for Clifford Tinsley.

Musso Defeats Claus

Musso, who tailed the Democratic ticket, polled a total of 36,504 votes to defeat Allan O. Claus, his GOP opponent, who polled 32,842 votes.

Voters gave heavy pluralities in favor of retaining all three circuit judges and Appellate Court Judge Moran, despite an organized move led by a faction of attorneys to move Circuit Judge James O. Monroe out of office.

Unofficial voting results gave Judge Monroe a "yes" vote of 23,212 in favor of retaining him in office, as compared with 6889 "no" votes.

Judge Barr received a retention vote of 32,571 in favor to 2739 against, while Judge Clark received 33,446 favorable votes to 2746 against his retention.

Appellate Court Judge Moran, of Granite City, received 30,503 votes in favor of his retention to 3121 "no" votes. Appellate court judges serve terms of ten years.

Stevenson Wins; GOP Loses Senate Control

State Treasurer Adlai Stevenson III won a landslide victory over Ralph T. Smith of Alton for the U. S. Senate seat Tuesday, dealt a major political blow to President Nixon and carried along with him a number of gains in Illinois Senate seats of the General Assembly.

Gains in the Illinois assembly, on the basis of unofficial returns yesterday, were sufficient to wrest control of the Illinois Senate from the Republicans for the first time since 1939. Tuesday's election results show 29 Republican and 29 Democratic senators under the new line-up.

In the last session of the legislature, the GOP was in control of the Senate 38 to 19—with one vacancy.

In the event of a tie in the Illinois Senate, the deadlock is broken by the vote of the lieutenant governor. The Illinois lieutenant governor is Paul Simon (D-Troy) who said yesterday that he will cast the deciding vote in any tie on legislation or organization in the Senate.

Demos Have Edge

This would give the Democrats a decided edge in the makeup of committees. In the House, the 95 to 82 majority held by the Republicans in the 1969 legislature was cut in Tuesday's elections to 90 to 87. The Republicans thus held control in the House, but only by a slim margin.

The entire state Democratic ticket swept all offices in Tuesday's balloting, although Alan J. Dixon of Belleville won a narrow victory over Edmund J. Kucharski, and Michael J. Bakalis, an assistant dean at Northern Illinois University and a newcomer in politics, won an upset victory over incumbent Superintendent of Public Instruction Ray Page.

With only 6% of the votes still to be counted late yesterday, Stevenson had taken 57% of the state vote and was leading Smith by 450,000. The count was 1,929,378 for Stevenson to 1,482,022 for Smith.

In Madison county, Smith's own home territory, Stevenson defeated Smith 42,336 to 29,960.

Four-Year Term

Smith had served as U. S. Senator since September, 1969 under appointment by Gov.

Anti-Pollution Bond Act, Yes, 12,244, No. 4127.
Abolition of Personal Property Tax, Yes, 21,765, No, 3900.

Many Voters Ignore Special Propositions

Of the more than 72,000 voters who went to the polls in Madison county Tuesday, only about one-third voted on any of the three special propositions on the ballot.

Only 16,401 voted on the proposed $750 million Anti-Pollution Bond Act, with a majority of those expressing their approval, 12,244 yes to 4157 no. The act requires approval by a majority of those voting for members of the General Assembly in the election.

Failure to vote on the issue was the same as a no vote. In the Quad-City area of Granite City, Nameoki, Venice and Chouteau townships a total of 19,741 votes were cast. Of those, 11,465 expressed their opinion on the proposal with 8384 yes votes and 3081 no votes. The remainder did not vote.

Approval of the majority of those voting in the election or of two-thirds of those voting on the proposition, was needed to pass the proposal to abolish personal property taxes by evaluation as to individuals. County wide, over 25,000 voted on the issue giving their endorsement by a vote of 21,765 to 3900. In the Quad-Cities township, 16,665 cast yes votes and 2419 said no.

Probably the least understood of the three propositions was the proposed amendments to the Illinois Banking Act, which required only a simple majority of those voting on the issue for passage. The amendment was designed to allow the state banks the flexibility to compete with national banks. Almost 11,000 votes were cast on the proposal with 6788 expressing their approval and 4194 casting votes against the amendment.

United Fund Now at 90% Of Its Quota

Contributions to the Tri-Cities Area United Fund today reached the 90.19% mark, representing pledges of $366,600. Efforts are continuing to achieve the $407,000 goal to operate 19 health-welfare-service agencies in the four community area in 1971.

Volunteer drive leaders currently are accepting all unreturned pledge cards and also contacting potential supporters whose contributions have not yet been received, David L. Norton, UF executive director, said this morning.

Henry D. Karandjeff, president of the United Fund board of directors, urged all volunteer workers to re-double their efforts to attain the 1971 goal by responding to this year's UF slogan—"If You Don't do it—It Won't Get Done."

A final report will be issued upon receipt of all pledge cards, officials said.

Granite City Town Fund Status Criticized

A dispute over the condition of the town fund of Granite City township and a demand for a legal opinion as to the status of the salary of Township Assessor James Barton developed Monday night in a meeting of the city council while convened as the town board.

The controversy arose during opposition by a minority bloc of council members to a resolution that would authorize Granite City township to issue $45,000 worth of anticipation warrants for the town fund.

The resolution was approved by an 11 to 3 roll call vote, following considerable debate in which Mayor Donald Partney told the meeting that he did not favor serving as a town board member and that he would not serve if the city attorney had not ruled that he was legally bound to do so.

During the discussion Partney also suggested that William Schooley, township attorney, be requested to be present at future meetings when the city council meets as the town board. The city council meets twice monthly as the town board. Schooley customarily does not attend such meetings.

The resolution authorizing the township to issue $45,000 in anticipation warrants was introduced by Alderman Paul Rutledge as a member of the Finance Committee. Schuler moved for suspension of the rules to place the ordinance on final passage.

The action brought immediate response from Alderman Paul Rutledge, who said:

"The town fund is in trouble again. It's been in trouble before. They have been told to cut down, but they haven't done anything about it.

"One of the things I want checked is Mr. Barton's salary. I want to know if it is in accordance with the statutory amount allowed for a township of Granite City's size."

Rutledge moved that Schooley, the township attorney, be asked to bring in such an opinion, but other aldermen objected that a motion already was on the floor. Partney remarked that he believed Schooley should attend all meetings in which the council convenes for town board sessions. Schooley then would be present to rule in such matters, he said.

Alderman Walter Nonn protested that the town board had no authority to interfere with the township's financial arrangements.

"You know, the people (the electors) fix the budget on what they can spend," Nonn remarked.

"All I am asking for is an opinion as to wether Barton's salary is in accord with statutory regulations," Rutledge responded.

In a roll call vote on the motion to suspend the rules for final passage of the resolution, Partney, Rutledge and Alderman Thomas Boker voted "no." Voting in favor were R. E. Robertson, Claude Green, Clyde Boyd, Roy Poulos, Sam Whitmer, Charles Morlien, Emerald Dawes, Nonn, Everett Morlen, William Dallas and Schuler. Aldermen Steve Basarich and Gerald Parmley were absent.

In a subsequent motion to give final passage to the resolution, the same vote was cast.

Allow Convention Expenses

The town board then approved by 13 to 1 a motion to allow $100 expenses to each of four township officials to attend the annual convention of Township

Dr. B. B. Berman Stricken, Dies Suddenly; Was 55

Dr. Benjamin B. Berman, 55, a widely-respected pediatrician and a member of the Illinois Heart Association state board of directors, died unexpectedly early Tuesday after suffering an apparent heart attack. His offices were located in the Bellemore Medical Building, 3165 Myrtle avenue.

The physician complained of chest pains while visiting friends in St. Louis and was brought by ambulance to St. Elizabeth Hospital, where he was pronounced dead on arrival at 1 a.m. Tuesday.

Earlier Monday evening, Dr. Berman had attended a medical society meeting in downtown St. Louis and appeared in excellent spirits, a local physician said.

Born in Cleveland, Ohio, Dr. Berman received a bachelor of arts degree in 1935 from Washington University, St. Louis, and was graduated with honors from Washington University School of Medicine in 1939.

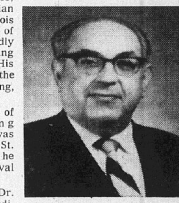

His post-graduate specialization training in pediatrics was accomplished at St. Louis Children's Hospital, City Hospital in St. Louis and Michael Reese Hospital in Chicago.

Served as Instructor

For the past several years, he had served as an instructor at the Washington University School of Medicine.

Dr. Berman served as a U.S. Army physician in the Pacific Theatre of Operations during World War II, including service in the Philippine Islands and other areas of Southeast Asia. He spent four years in the Army Medical Corps and emerged with the rank of major.

Vitally interest in projects to control heart disease, Dr. Berman had served continuously from 1956 on the Illinois Heart Heart Association state board, and was responsible for establishing many rheumatic fever control operations throughout Illinois.

DR. B. B. BERMAN

As chairman of numerous medical advisory committees concerning with heart disease, the pediatrician also was instrumental in instituting the Diagnostic Clinic for Cardiac Children in Madison County, a program supported by the Madison County Heart Association.

Originated School Program

Dr. Berman also was the originator and sponsor of the throat culture-rheumatic fever control program started in Quad-City school systems sever years ago.

Prior to elimination of polio as a threat, the pediatrician worked closely with the Nation-

Elks Plan Veterans Day Public 'Salute'

A "salute to all veterans" is planned by Elks Lodge 1063 at 7:30 p.m. Wednesday, Nov. 11, Veterans Day, at the Elks club, Niedringhaus avenue near State street.

The public is being invited to attend and help honor men and women who have served in the armed forces. Guest speaker will be Major William C. Mills Jr., deputy commander of the Granite City Army Depot.

Sons of the Legion of Venice-Madison American Legion Post 307 will form a color guard for the Veterans Day program.

An Elks spokesman commented that "even though it seems unfashionable to be patriotic, we are proud to be unfashionable and to honor gallant patriots who gave their lives for the security and liberty that is ours today.

"Also, we are proud to commemorate those who are valiantly fighting for our country in the present conflict. We dedicate ourselves to seek an honorable peace among nations, with understanding between all peoples of the world."

Vietnam Veteran

Major Mills is a 1962 graduate of Texas Technological University with a degree in civil engineering.

His first duty station was with the 10th Engineer Battalion, 3rd Infantry Division Kitzigen, Germany, as a platoon leader in the Mobile Assault Bridge Co.

He then served with the 864th Engineer Battalion in Vietnam as commanding officer of a heavy construction company before returning to the U.S. as a staff engineer with the 6th Artillery Group at Ft. Bliss, Tex.

He returned to Vietnam as a highway advisor to the Director General of Public Works in the Vietnamese government in 1968. In November 1969, he came to Granite City Army Depot as facilities engineer, later becoming the deputy commander.

He is married, has two children, and lives at the Depot with his family.

Madison Rotarians Visit Port Area

Eighteen Madison Rotarians visited the Tri-City district Port Wednesday.

Manager Carl A. Ranft took the Rotarians on a tour of the facilities. He told club members the Chain of Rocks canal is one of the largest locks in the world and is longer that the Panama canal.

The port area has facilities and parking for visitors, Ranft said. People from all over the world visit the area.

During a luncheon session the members discussed plans for a bake sale to be held Nov. 14 at Schermer's Market. Mrs. Robert (Valerie) Stevens is chairman of the event and wives of the members are baking pies, cakes and cookies for sale. Monies raised will be used to purchase a piano for the Madison Recreation Center.

Book Fair Planned By Madison Library

The Madison public library will hold a book fair from 1 to 4 p.m. Friday and Saturday, it was announced by Mrs. Louise Lewis, librarian.

A variety of books will be on display for adults, young adults and children. The publications will be sold for 5 to 25 cents.

Value of Minerals Up

Indicated value of Illinois-produced minerals in 1969 is $692.8 million, a record high. Dr. John C. Frye, Illinois Geological Survey chief, said this is $22 million more than for 1968. Most of the increased valuation was due to coal production of 64.8 million tons, 2.7 million more than in 1968. Frye said combined value of the fuel minerals (coal, oil and natural gas was about $44.1 million, or 63.7 per cent of the total value of all minerals produced. Crushed stone, clay products, silica sand, and sand and gravel production also increased in value during 1969.

MORE ABOUT

Dr. Berman

al March of Dimes Foundation and also was a member of the medical advisory board of the Easter Seal Society.

Dr. Berman served as chief of pediatrics at St. Elizabeth Hospital and was a past president of the St. Elizabeth Hospital Lay Advisory Board and a former board member. He also was on the medical staffs of Jewish Hospital, Barnes Hospital, St. John's Hospital and St. Louis Children's Hospital.

He established his practice here in 1945 and was joined in recent years by Dr. George Wilkins and Dr. C. A. Antoniou.

Dr. Berman was a member of the American Academy of Pediatrics, Madison County Medical Society, American Medical Association, Illinois State Medical Society and the Tri-City Medical Society.

Father of Nine

The physician resided at 10289 Lookaway drive, St. Louis, with seven of his nine children. His wife, Mrs. Anna Josephine Berman, died in May 1967.

Survivors include four sons, Andrew, Thomas, Lawrence and Benjamin B. jr., all at home; five daughters, Mrs. Barbara A. Vernier of Belleville, Mrs. Sarah Grosswasser of St. Louis, and Misses Janet, Joan and Charlotte Berman, all at home; a sister, Mrs. Sylvia Schumacher of University City, Mo.; several cousins; his parents-in-law, Mr. and Mrs. Joseph Felkel of St. Louis; and two grandchildren.

The pediatrician's body was donated to Washington University School of Medicine.

Visitation to the Berman family home will continue through this evening. A memorial service was held at 4:30 p.m. Wednesday in the chapel at St. Elizabeth Hospital.

In lieu of flowers, the family has requested those wishing to make contributions do so to: St. Elizabeth Hospital; Southern Illinois Jewish Federation (East St. Louis); or the Illinois Heart Association.

Symphonic Band To Present Fall Concert Nov. 15

The Southern Illinois University - Southwestern Symphonic band will present its annual fall concert Nov. 15 at 3:30 p.m. in the Communications Building theater. The public is invited, admission free.

Under the direction of C. Dale Fjerstad, associate professor of music, the 60-piece band will play American Overture by Joseph Jenkins, Ambrosian Hymn Variants by Donald H. White, Festive Overture by Shostakovich, Music for a Festival by Gordon Jacob, Espana Rhapsody by Emmanuel Chabrier and Incantation and Dance by John Barnes Chance.

Featured at the concert will be Matthew Sullivan of Creve Coeur, Mo., an SIU music major, who will be soloist in Benedetto Marcello's Concerto in C minor for Oboe.

On Nov. 16, the band will repeat part of the concert at 12:30 p.m. in the Goshen lounge of the University Center.

The band, whose members are chosen by audition, presents a concert at least once each quarter on the campus and performs off campus as well.

Fjerstad joined the faculty in 1959. Prior to that he was director of bands at Carroll College and was first trumpet with the Waukesha Symphony Orchestra. He has been assistant first trumpet with the St. Louis Philharmonic and appeared as soloist with the SIU-SW Chamber Orchestra and the St. Louis String Ensemble.

Active as a clinician, adjudicator and guest conductor, Fjerstad has taught at Louisiana State University and at Indiana University, where he received his doctorate in music education.

Members of the band from Granite City are Linda Gasparovic, contrabass clarinet; Marsha Kletz, trombone; Kevin Nicol, cornet; Nancy Schick, trumpet; and Bruce Van, percussion; and from Madison, Sharon Barham, trumpet.

Cong. Melvin Price Wins 14th Term in Congress

Cong. Melvin D. Price, (D-East St. Louis), easily won his 14th consecutive term as representative from the 24th Congressional District in Tuesday's election, defeating his Republican opponent, Scott Randolph, by nearly four to one in Madison county and by a margin of more than two to one in St. Clair county.

Rep. Price's vote total in the 24th District, which encompasses all of St. Clair county and a large part of Madison county, was 88,604, while Randolph picked up 30,696.

The incumbent returns to Washington, D.C. as one of the highest ranking Democrats on the House Armed Services Committe and the Senate - House Joint Committee on Atomic Energy. He also is chairman of the House Committee on Standards of Official Conduct, better known as the ethics committee.

In Madison county, Price garnered 36,343 votes to Randolph's 10,806, with St. Clair county voters recording 52,261 for Rep. Price and 19,890 for his opponent. Randolph, 39, the first Negro candidate to run for the 24th District seat on a major party ticket, was beaten badly in pre - dominantly black East St. Louis, where he tallied only 3246 votes compared to 13,318 for Price.

Warriors Travel To Quincy Friday

The Granite City high school Warriors will travel to Quincy Friday for a football game with the Blue Devils beginning at 8 p.m.

A non-conference game, it will be the last time Granite City will be playing Quincy due to an enlarged Warrior conference schedule next season.

Belleville East, Lincoln and Cahokia will be in the 1971 conference schedule of the Warriors.

With two games left the Warriors are out for a final two victories to give them an eight-and-one record, which would be the best season for GCHS since 1937.

No Fan Problems

"Quincy has always been a good team to play," said Warrior Coach Wayne Williams. "Not only do they play a good game, you never have to worry about having trouble with the fans, and today it seems you have to worry about trouble being caused by fans as much as you do about beating the other team."

William Paul Gross has been the Quincy coach for seven years. During this time the best record of the team was in 1966 when the Blue Devils had a six-and-three record.

Last season the Blue Devils were officially one and eight, although in reality they were five and four.

A defensive tackle, Neil Baker, lived with his grandmother during the entire season, while his parents after the season started moved from grandmother's to West Quincy, just across the river in Missouri.

Forfeit Games

When Coach Gross discovered this during the summer he notified the Athletic Association, which made the Blue Devils forfeit all but the first win, in accordance with residency rules.

Quincy this year has beaten Jacksonville 20 to 8, Lockport West 14 to 8, Keokuk, Ia., 20 to 6, Galesburg 7 to 0 and Burlington, Ia., 21 to 15.

They lost to Belleville West 20 to 8, and Lincoln of East St. Louis 30 to 0.

Quincy is playing independent ball this year but will join the Western Big Six conference in 1971.

Only one Blue Devil has bit the dust due to injuries so far, and that was defensive linebacker John Holgralf jr., who was hurt in the Burlington game.

Overall Good Speed

According to the Blue Devil coach they have overall good speed, and a split end, Kerry Anders, can run the 100 in 10 seconds flat.

For power Quincy uses fullback Mike Demum, 6-0, 195 senior.

"Although we have some good speed we are basically an inside running club. We have 10 returning lettermen, but this is somewhat deceptive as only three have had any real experience. We play specialty teams, and a player will earn a letter with a specialty and this can hurt when he has to play a full game," said Gross.

"We are out to win our last two ball games as this will give us a seven-and-two season, which will be the best since I have been here," continued Gross.

Quincy Lineup

Offensive lineup for Quincy will be Anders, 5-11, 150 junior, left end; Gordon Butler, 6-1, 230 senior, left tackle; Bob Silman, 5-11, 185 senior, left guard; Gary Badanno, 6-0, 195 senior, center; Mike Nobis, 5-9, 170 junior, right guard; Mike Horberts, 6-0, 200 senior, right tackle; Larry Steinman, 6-1, 185 senior, right end.

The offensive backfield will be, Rick Goehl, 6-0, 145 junior, quarterback; Demum, 6-0, 190 senior, fullback; Greg Gay, 6-0, 170 junior, left half; and Dan Stark, 5-9, 175 senior, right half.

The Blue Devils run from a four-man front and a pro-type defense. This calls for a whole new team.

Making up the four-man line are Roger Miller, 6-6, 205 senior, right end; and Tom McNeil, 6-6, 175 junior on the left end; Ray Crider, 5-9, 150 junior, and his brother, Zacary Crider, 5-9, 150 junior.

Playing middle linebacker is Paul Stewart, 5-10, 175 senior.

Inside linebackers are Kevin Anstas, 5-9, 165 junior and Rod Davis, 5-9, 160 senior.

Cornerbacks are Jim Hagerbaumer, 5-10, 165 junior and Steve Wingfield, 5-10, 155 junior.

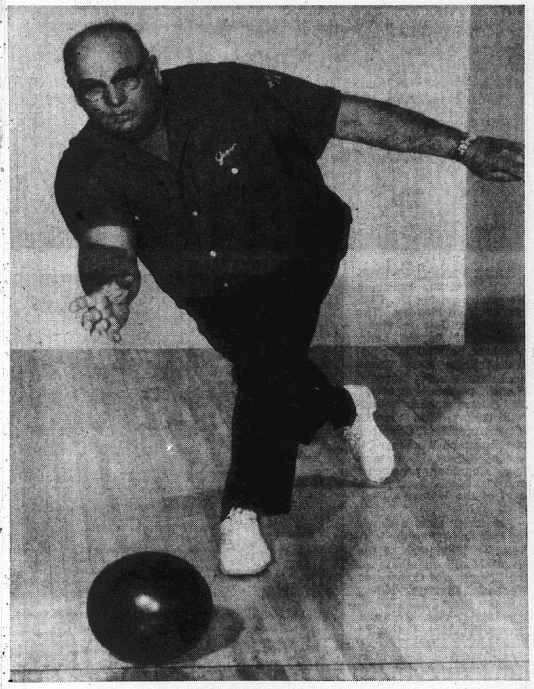

Playing deep will be Jim Isaacson, 5-8, 150 senior and Jim Gilbert, 5-10, 180 senior.

The Warriors, who have a four-and-one conference record and a six-and-one overall season record will play their last game of the season, a conference game, at home against Belleville-West Nov. 13.

Park Cage Leagues To Meet Tonight

The Granite City park district will hold an organization meeting for basketball teams interested in participating in league action this season at 7:30 p.m. today in the Wilson Park office.

The park cagé season will begin the first week of December.

JIM VRENICK
300 Bowler

Vrenick Bowls 300 Game in PBA Tourney

Jim Vrenick of Granite City bowled a perfect game during the Professional Bowlers Association Bellows Valvairs tournament which ended Monday night at the Dick Weber lanes; Florissant, Mo.

All of the pins fell in action Saturday night and helped Vrenick finish 21st in the tournament in a field of 128 keglers.

He won a $100 check and a 300 tie tack and is to receive an award from the American Bowling Congress. A bowler since 1937, it was his second sanctioned 300 games. He rolled five others in exhibitions and in practice.

Sanford-Brown to Open Cage Season

The Sanford-Brown College Indians will open their basketball season on Nov. 14 with Logan College, a Greater St. Louis College Conference foe.

The Indians will play a 22-game schedule with home games at Christ Memorial Baptist Church gym in Cool Valley.

Coach John Campbell will be starting his 22nd year and will again rely on players from the East Side, Guard Leon Bland of Madison will be finishing his final year at Sanford-Brown.

Bland scored a career high of 493 points last year and has constantly led the Indians in assists each year. He was named to the conference all-star team last year.

Atom Soccer Team Holds Celebration

A victory party was held last Saturday afternoon for the Mercer Mortuary First Year Atoms soccer team at the home of their coach, Jake Hinterser jr., 8707 Four Oaks drive.

The team includes John Vrenick, Jeff Joyce, Jay Borchers, Jim Hemphill, Robbie Fyalka, Walter Lowery, Bobbie Slate, Tim Grove, Mike York, David Hall, Mike Robertson, David Frith, Bruce Monahan, Scott Buenger, Greg Mulach and Andy Hinterser.

Attending the party in addition to the boys' parents were the assistant coaches, Harst Quante and Jack Mulach.

The team now qualifies to enter the Inner City soccer playoffs this weekend.

Warrior Soph Grid Team Tops Tigers

Granite City high school's sophomore football team beat Edwardsville 20 to 6 in a game played here Monday night.

The sophomore defense stopped Edwardsville inside the 10-yard line three times.

Touchdowns were scored by David Macious on a five-yard run and Kirk Hulse on a 65-yard run.

A 42-yard pass from Clay Winfield to Don Woods proved effective for another touchdown.

Brad Hiles kicked two one-point conversions.

The sophomores, who have a five-and-three record, will play their last game here at 4 p.m. Monday against Assumption.

Trojans to Play Old 'Shell Game' Saturday

The Madison football trojans will play their last home game at 2 p.m. Saturday against the Roxana Shells.

Changes in the Madison lineup seem to have made a big difference in the team as noted by the 74 to 14 win over Dupo last Saturday.

Harold Campbell (5-11, 220 senior), all conference guard, replaced Dwayne Shaw (5-11, 200), at fullback. Shaw is now playing outside linebacker on defense; and a sophomore, William, Tyler (6-0, 270), is playing guard for Campbell.

"Campbell is a 110% player, with more hustle, more everything, and his enthusiasm and hard playing seems to be rubbing off onto the other players," said Coach Al Vonder Haar, of the Trojans.

Roxana Records

Roxana had a 1969 overall record of four and five and a conference record of three and two.

The Roxana team has a three-and-one conference record and an overall record of four and two this year.

Roxana was beaten by Wood River 16 to 8 and Highland 14 to 12. The Shells won 13 to 6 against Southwestern, 17 to 8 against Triad, 24 to 6 against Dupo and 19 to 12 against Bethalto.

The Shells lost their quarterback, Mark Scroggins, with a broken hand prior to the Highland game. They lost their fullback, Dave Stanton, with a knee injury in the first game of the season. Stanton was also the team's punter.

Coach Charles Raich is in his first year as head football coach at Roxana. He had been the assistant coach for seven years.

'We Do Anything'

When asked about his teams style of play Raich said, "We do anything we think we can get away with. We don't have any real speed, outside of Terry Wilson, our tailback, and he's not what you would call fast; he maybe runs the 100 in 10.9.

"No real super players are on our team although we do have some good boys. Bill Allen, sophomore fullback (6-0, 190,) does a good job, and so does our wingback, Mike Harvick (5-10, 160 senior). It seems like every game someone comes into focus and does us a good job, but not what you would call consistently good."

Madison beat Roxana in 1969 22 to 8.

"Madison is big, fast and tough as heck when they want to be," continued Coach Raich, "I saw that Dupo game and I feel they are going to be tough to beat, but we're going to try."

11 Returning Lettermen

Roxana started the season with 13 returning lettermen but now have 11 due to injuries.

The offensive line will see John Doersam, 6-2, 180 junior, left end; Frank Bellis, 6-0, 185 senior, left tackle; Paul Nagle, 5-11, 165 senior, left guard; Dean Bush, 6-1, 175 junior, center; Rick Wilson, 6-0, 165 senior, right guard; Gerald Pataky, 5-9, 190 senior, right tackle; and Don Warren, 5-11, 170 senior, right end.

In the backfield will be Bob Kissack, 6-0, 155 senior, quarterback; Terry Wilson, 5-9, 155 junior, left half; Bill Allen, 6-0, 180 sophomore, fullback; and Mike Harvick, 5-10, 160 senior, right half.

Vonder Haar described Roxana as "tough and thin; they do well on the flats and in the center, and generally mix up their plays."

The final game for Madison will be Nov. 13 at Bethalto.

The Roxana Shells have one game left after Madison against Edwardsville on Nov. 13.

NOT EXACTLY A TIGER. This photograph was taken during the Warrior-Tiger gridiron clash, which pitted together the Granite City and Edwardsville high school football teams. But the kitten pictured was actually a pink panther, as everyone knows who viewed the band drill and entertainment program presented during the halftime intermission of the 1970 GCHS Homecoming game. The panther clawed no victims, but the Tigers were mauled 38-7 in the Southwestern Conference contest.

Rend Lake to be Filled By March of Next Year

Rend lake, which will provide water for 43 communities in six counties, is expected to be filled by early March of next year, according to Director Henry N. Barkhausen of the Illinois Department of Conservation.

With the closing of the gates at dedication ceremonies Oct. 24 at the dam on the Big Muddy river, three miles northwest of Benton, the "hard work and dreams of thousands of persons started to become a reality," Barkhausen said.

The building of Rend lake, which began in May of 1968, was a coordinated effort of the U. S. Army Corps of Engineers, the Rend lake conservancy district and the State of Illinois.

The finished lake will be 17 miles long and 3½ to 4 miles wide, and will cover approximately 20,000 acres of land in Franklin and Jefferson counties.

Barkhausen said the multi-purpose lake will serve the public in many ways. It will provide flood control, quality control of downstream water, recreation, fish and wildlife conservation, area redevelopment to attract industry to southern Illinois, and a water supply for 43 communities in Franklin, Hamilton, Jefferson, Perry, Saline and Williamson counties.

The system will be capable of producing up to 27 million gallons of water per day which can be delivered through the 131 miles of pipe already laid.

The state conservation department is developing more than 10,000 acres of land around the lake, Barkhausen said. One of the areas will be made into a state park complete with campground, fishing marina, sailboat facility, picnic areas, bridal paths and bicycle paths.

In other areas the state will manage hunting facilities and wildlife refuges.

The Army Corps of Engineers is developing a 4000-acre tract of land which will have boat launching ramps, picnic areas, camping facilities, marina and three beaches. The corps also plans to build a viewing platform on the dam.

The Rend lake conservancy district is building a convention-resort complex with a 120-room hotel with banquet facilities.

There will be 50 housekeeping cottages with from one to eight rooms and a commercial motel and restaurant. Two marinas, a 27-hole championship golf course, a trap and skeet range and athletic complex with softball, tennis and archery ranges will adjoin the hotel.

COUGAR SOCCER SQUAD which has streaked to a 6-1 record and is aiming for a bid to the NCAA tournament. The players are, left to right, front row, Jim Stranz, Tom Howe Mickey Conway, Tony Kuster, John Deinowski, Tom Twellman, Jack Blake, Rich Neitzert, Fred Faucett, Tom Galati, John Barron and Rick Benben, and back row, assistant coaches Joe Baum and Pat McBride, head coach Bob Guelker, Denny Driscoll, Mike Boland, John Carenza, Chris Carenza, Joe Galvin, Jim Kersting, Vince Fassi, Kevin Howe, assistant trainer Rick Eccles and head trainer Wilfred "Bud" Buddell.

NCAA Bid Sought By Soccer Cougars

Southern Illinois University's soccer Cougars, now in its fourth season, has streaked to a 6-1 record and may qualify for a bid to a post-season NCAA regional meet with any success in three remaining games of the season.

Coach Bob Guelker's squad is to meet St. Louis University, the undefeated NCAA national champs, in a home game at 1:30 p.m. Saturday, Eastern Illinois University the defending NIAA titlist, and Harirs Teachers College of St. Louis.

A sweep would guarantee the bid, but two victories should qualify the team.

Labor, Business Leaders On Mass Transit Committee

The addition of 65 business, civic and labor leaders and public officials from throughout the metropolitan region to the Mass Transit Committee of the Chamber of Commerce of Metropolitan St. Louis was announced today by Eugene F. Williams jr., president of St. Louis Union Trust Co., chairman of the committee.

Appointees include Nicholas Veeder, Granite City Steel Co. board chairman, Ashley Gray jr., General Steel Industries president, Dr. John Rendleman, SIU-SW chancellor, Art Griffin, Laborers Local 397 business agent, Paul H. Lichtenberger, First Granite City National Bank president, Carl E. Mathis, Illinois Power Co. service area manager, and C.E. Townsend, Press - Record publisher.

Williams, discussing mass rapid transit, said, "No other single thing could be done that would play as significant a part in revitalizing the urban area, in improving land values and extending opportunities for employment in the suburbs."

Public Understanding, Support

The Mass Transit Committee of the Chamber of Commerce was created to marshal the high degree of public understanding and support needed to make rapid transit a reality for the St. Louis metropolitan area, once the planning process is completed.

The Bi-State Development Agency rapid transit consultants' report is expected to be completed next spring.

The additions to the committee, Williams said, make it truly representative of the main groups and interests in the bi-state St. Louis area, and not just the business community.

"Hopefully," he said, "it will be able to assemble the board public support needed for this area to raise the local share of the cost of rapid transit and qualify for the massive federal assistance which is now available under the $10 billion Urban Mass Transportation Assistance Act.

"The engineers can recommend the finest of all transit systems," Williams said, "but the whole exercise is pointless unless the public understands that the benefits make the local share of the cost worthwhile."

"We intend to demonstrate that the entire St. Louis community is fully committed to rapid transit, and that the bi-state area as a whole wants to get on with the job."

Williams, and vice-chairman Frederic M. Peirce, chairman of the board, General American Life Insurance Co., said a meeting of the entire committee will be called in the near future.

Johnie Milan, 49, Dies in Hospital

Johnie Milam, 49, of 2034 Washington avenue, died at 11 p.m. Wednesday at Barnes Hospital, St. Louis, where he had been a patient since suffering a stroke Tuesday.

Mr. Milam was born in Steward county, Tenn., and lived here 26 years. He was employed as a pipefitter for Granite City Steel Co.

He is survived by his wife, Mrs. Belvia Milam; one son, Jimmy Milam of Granite City; one daughter, Mrs. Joyce Clay of Granite City; two step-sons, Ted Walker of Little Rock, Ark., and Clyde Moore of Valley Park, Mo.; four step-daughters, Mrs. Virginia Dubois, Mrs. Donna Hoffman and Mrs. Carol Clemons of Granite City and Mrs. Shirley Benson of Crestwood, Mo., one brother, Lester Milam of Granite City; three sisters, Mrs. Roxie Doty and Mrs. Chilcutt of Granite City and Mrs. Lilian Rising of Galesburg; his father, Lurton Milam of Granite City; his mother, Mrs. Agnes Carrol of East St. Louis; one grandchild and 22 step-grandchildren.

Funeral arrangements are given in today's obituary column.

BROWNIE FALL PLANS

A planning meeting was held Tuesday afternoon by Brownie Troop 159 of Nameoki school. Leaders, Mrs. Linda Hurst and Mrs. Jan Colquitt, led the girls in a discussion concerning future plans.

Vickie Graefa opened the meeting with the pledge of allegiance and Brownie promise. Carol Conkright collected Brownie gold and announcement was made that there will be no meeting next week; the school will be in session for half the day.

Plans were completed to make home-made butter and Thanksgiving decorations at the Nov. 17 meeting.

Arrangements were made to begin work Nov. 24 on holiday tree ornaments the troop will present at the annual "festival of giving" in December. The girls will fill a decorated box with canned fruit for the festival.

December events will include making holiday gifts and holding the troop Christmas party on Dec. 15. Karen and Beth Conkright, who were guests on a television show Monday, reported to the troop on the experience.

Mrs. Colquitt showed the girls the proper way to set a table and discussed table manners. Scouts present were Kelly Hargrove, Linda Bauer, Rachel Newsome, Raye Hurst, Donna Parker, Angela Reeder, Michelle Hannan, Jennifer Vaughn, Patty Skinner, Cheryl Colquitt, Charlene and Cheryl Corley and Laurie Bushong.

Fractured Follies Revue Opens Tomorrow

Presentation of the community-wide, variety-musical show, "Fractured Follies," at 8:15 p.m. tomorrow and Saturday will climax many months of preparation and three weeks of hectic rehearsal sessions by more than 80 local people.

The fast-paced review spotlighting the talents of 65 Quad-City performers, will be staged on both evenings in the auditorium of Granite City high school for the benefit of St. Elizabeth Hospital.

Sponsor is the Hospital Auxiliary. Tickets may be obtained in advance from auxiliary members, those in the cast or at the hospital.

The tickets, priced at $2.50 for adults and $1 for students, also may be purchased at the auditorium door immediately before showtime.

Chris Carter of the New York firm of Jerome H. Gargill, Inc., who is producing the "Follies," reports that individuals from all occupations are donating a variety of experience in related areas of theatre work to the production.

20-Year Show Veteran

Carter, a veteran of 20 years with the New York producing agency, marks his 173rd production for the company with the Granite City show. He has appeared in the legitimate theatre as well as summer stock, and in acting stints on television. He is a professional actor, dancer and choreographer.

In sequences ranging from a Caribbean carnival to a New York panorama and a seaside caper, complete with bathing beauties, this year's "Fractured Follies" will feature popular songs, colorful sets and attractive costumes.

Comedy routines will focus on situations involving "astronautesses and astronauts" on a space flight, three versions of "love," a "harem scarum" sequence and other segments.

Musical numbers will include "Hard Hearted Hannah," "Boomps-A-Daisy", "By the Time I Get to Phoenix," "By the Sea," "Black Magic," "Night Train," "Rain Drops Keep Falling on My Head," "Watch What Happens" and "New York, New York."

Among the "featurette" sequences will be "Hillbilly Serenade" by Milli and Bill Hoelscher, who organized the East Bank Players theatrical group and has been responsible for recruiting the cast for the hospital review.

Other cameo-style performances will be presented by Stanley Coleman and Peggy Essenpreis in "Art Study"; Henry and Ruth Lamb in "On Trial"; John Payne, as the "editor" and Carmen Becerra, Rob Ebrecht and Peggy Essenpreis as "reporters" in "Hot Scoop"; and June Branding and Frank McGinnis in "Guess Who?"

Bevy of Lovelies

One of the metropolitan area's most popular male singers, Ray Peradotti, now a local resident, will be featured in the "Magic Moment" segment, accompanied by a bevy of scantily-clad lovelies.

Peradotti, has appeared as a regular performer on the Charlotte Peters television show and appeared at the Renaissance Room, Sir Edward's in Gaslight Square, Bustles and Bows, the Wreck Bar in Clayton and other supper clubs. He also has sung in Grand Opera and appeared in musical comedies.

Other solo routines include "Siren Serenade," Margaret MacZura; "Stranger in Town," Mark Gifford; and "Serenata," Cathy French.

"Love—Three Versions" will feature Gail Hamilos and Henry Lamb; Bev Henderson and Mark Gifford; and Cathy Crawshaw and Ted Eilerman.

A "Weather Report" involves Jim Twardoski as the "weatherman" and Betty Skirball, Carol Squires, Mary Groshong, Connie Becerra, Joyce Jenness, Robbie Foy, Joyce Mitchell and Ruth Lamb as "rain maids."

A "Parisian Holiday" number with Carol Humphrey and The Parisiennes will be followed by "Can-Can" performed by Sylvia Brylak, Mary Groshong, Joyce Mitchell, June Branding, Ruth Lamb, Connie Becerra, Joyce Jenness and Carol Squires.

"Up, Up and Away"

Act One will open with "Up, Up and Away" by the "Debonairs," including Dick Koerper, Ted Eilerman, Pat Fennell, Keith Pryor, John Harris, Frank McGinnis, Lee Ridgeway and Marvin Effland.

In the same excerpt, the "Rockettes" will perform, featuring Carol Squires, Mary Groshong, Diana Valicoff, Betty Harmon, Phyllis Hodge, Joyce Jenness, Joyce Mitchell, June Branding, Betty Skirball, Cathy French, Ruth Lamb and Barbara Rineberg.

The initial number also includes the "Sophisticates," with Connie Becerra, Pat Haynes, Nora King, Connie Klobe, Shelley Rayburn, Anne Wilson, Anita Gasparovic and Emma Portell; and the "Foreign Visitors," Peggy Essenpreis, John Payne, Carmen Becerra, Norma Mendoza, Gail Hamilos, Ruth Daniels, Cathy Crawshaw, Margaret MacZura, Carol Humphrey, Jack French, Jerry McGeehan, Tim Twardoski, Ron Ebrecht, Henry Lamb, Mark Gifford and Ray Peradotti.

A "Melodrama" will feature Gail Hamilos, the daughter; Ted Eilerman, villian; Helen Bergfield, mother; and Ron Ebrecht, hero.

Opening Act Two will be "Hit the Road," with Jerry McGeehan as "guide" and a group of "gals and guys." The second segment of the show will conclude with a lavish New York panorama sequence.

In the latter routine, parts will be portrayed by Marge Hall and Frank McGinnis—tourists; Mark Gifford—hobo; John Payne—milkman; policeman—Henry Lamb; girl—Cathy Crawshaw; "pickpocket"—Ron Ebrecht.

Lulu—Gail Hamilos; nurse—Carmen Becerra; "gangsters"—Jim Segobiano and John Harris; boys—Jim Twardoski and Mc Geehan; troubador—Stanley Coleman.

Showgirls—Diana Valicoff, Betty Skirball, Phyllis Hodge, Connie Becerra, Ruth Lamb, Sylvia Brylak, Carol Squires and Mary Groshong; and "dolls"—Dr. Leo Roman, Pat Fennell, Lee Ridgeway, Keith Pryor, Ted Eilerman, Dick Koerper, John Payne and Marvin Effland.

MARITAL INTERROGATION. Stanley Coleman as "the Husband" is at a loss to answer questions posed by "the Wife"—Ann Scott in the "Questions????" segment of the "Fractured Follies" musical revue. Popular songs and comedy situations predominate in this weekend's two-hour benefit show for St. Elizabeth Hospital.

VOCALIST NORMA MENDOZA, who portrays a "Genie" in the "Harum Scarum" sequence, rehearses her number while seated atop a piano at the VFW Hall. The singer is among more than 60 local performers contributing their talents to St. Elizabeth Hospital Auxiliary's "Fractured Follies" show, to be staged Friday and Saturday evening at Granite City high school.

HUSBAND AND WIFE. Henry and Ruth Lamb, team up to present the "On Trial" skit in St. Elizabeth Hospital Auxiliary's musical revue, "Fractured Follies" set for 8:15 p.m. Friday and Saturday at GCHS auditorium. Lamb portrays an attorney and Ruth, "the Wife" in the revue sequence. The couple is active in the East Bank Players theatrical company.

Goldenhersh, Simmons Win District Court Races

Joseph Goldenhersh (D-East St. Louis) an appellate court judge since 1964, won election Tuesday as Illinois Supreme Court Justice of the Fifth District over Madison county circuit judge Harold Clark (R-Alton) in heavy balloting throughout the 37 southern Illinois counties of the district.

In the same district balloting, Walter T. "Buck" Simmons of Venice was re-elected on the Democratic ballot as clerk of the Fifth district Appellate Court. Simmons defeated GOP candidate David F. Mallett of Troy.

Unofficial returns from 34 counties of the Fifth district gave Goldenhersh 201,255 votes and Judge Clark 187,297.

Simmons polled 209,497 votes in the 34 counties, and Mallett polled 175,169.

In Madison county's 193 precincts Goldenhersh received 36,046 votes to 33,021 for Judge Clark. Simmons polled 39,962 in all Madison county precincts, with Mallett receiving 27,281.

Judge Goldenhersh's election to the Supreme Court will create a vacancy in the Fifth district appellate court.

Ten Injured in 35 Accidents in Quad-City Area

Two persons were injured in a train-car crash and eight others were injured in other mishaps as 35 accidents were reported to Quad-City authorities since Monday.

Girl, 15, Injured

Donna Trigg, 15, a passenger in an auto driven by Evelyn Trigg, 2308 Orville avenue, was injured in a collision with a truck driven by Thomas W. Sullivan, 732 Twenty-sixth street, at 12:45 p.m. Monday at 20th street and Madison avenue.

Her head hit the windshield, and she was taken by ambulance to St. Elizabeth Hospital where she was treated for a half-inch laceration to the head and contusions to the knee. She was released following x-rays. The driver of the Trigg auto was ticketed on a traffic signal violation charge.

A Granite City couple was injured when their auto collided with the caboose of a Terminal Railroad train at the State street crossing in Madison at 11:15 a.m. Tuesday.

Virgil A. Carr, 66, of 2233 Miracle avenue, was taken by ambulance to St. Elizabeth Hospital where he was admitted with a broken right knee. He said he struck his knee on the dashboard of the car.

His wife, Mrs. Lorbee Carr, 67, went to the hospital at 6:45 p.m. Tuesday. She was treated for an injury to her forehead and was released following x-rays.

The engineer of the train, Sterling Robertson, Maplewood, told police the train was eastbound on the crossing when the mishap occurred.

Florence Deatherage, 50, of 4380 Lake drive, was injured when her southbound auto collided with the auto of Charles Barnett, 9 Lakeview drive, on Breckenridge lane at Park lane about 9 a.m. Tuesday.

She was taken by ambulance to St. Elizabeth Hospital where she was treated for a three and one-half inch laceration to her forehead, contusions to her chest and right upper arm and superficial lacerations and abrasions to her knees. She was x-rayed and admitted.

Barnett came to the hospital at 1:20 p.m. where he was treated for contusions to the left side of his forehead, abrasions to his left leg and superficial lacerations to the left side of his face and was released following a series of x-rays.

Daniel Reinhardt, 17, of 1601 Garfield avenue, was injured when his motorcycle struck the left side of an auto driven by Mary F. Niescur, 3415 Lydia lane, who pulled in front of him at 3:45 p.m. at Lydia and Clark avenue.

NATIONAL HEROISM AWARD being presented at the local Red Cross office today. From left to right are Mr. and Mrs. Stanley Lucas jr., Mrs. Edwin Baehr and her daughter, Janice, Mrs. Maxine Duniphan, Tri-City Red Cross chapter secretary who is a widely-known first-aid authority, and William F. Winter, editor of the Press-Record and chairman of the Red Cross chapter. Lucas, a Mitchell volunteer fireman, saved the life of seven-year-old Janice Baehr on May 21. The certificate of merit given to him is the highest award of the American National Red Cross.

Anti-Pollution Bonds Approved By State Voters

Illinois voters on Tuesday approved the $750 million anti-pollution bond issue under which additional municipal sewage treatment facilities will be built and the trash disposal problem will be attacked.

Governor Richard B. Ogilvie and citizen leaders of the bond issue drive praised the public's decision. With 73% of the votes included, the bond issue was leading 1,714,045 to 916,000.

A constitutional amendment to abolish personal property taxes on individuals also appeared to be passing by a comfortable margin. It was not immediately clear whether a proposed Illinois Banking Act amendment was receiving sufficient favorable votes.

Winners of University of Illinois trustee posts were William D. Forsyth, Springfield, George W. Howard III, Mount Vernon, Earl L. Neal, Chicago, and Roger B. Pogue, Decatur. All are Democrats.

With the Illinois Senate deadlocked 29-29, the GOP retained narrow Illinois House control, 90-87.

Democrats appeared to have gained 4-3 control of the Illinois Supreme Court.

MORE ABOUT

Town Fund

Officials of Illinois in Peoria starting Sunday and continuing through Wednesday.

The lone dissenting vote was cast by Mayor Partney who said:

" We just finished approving tax warrants. Now they want money to go to a convention. I can't see that."

Partney, Rutledge and Boker also cast negative votes against approval of town fund bills for the first half of November amounting to $3847.

These bills included salaries of $250 for Supervisor Nelson Hagnauer and $541 for Barton, plus expenses of $65 for Hagnauer and $100 for Barton. Salaries for deputy assessors and clerks paid out of the town fund amounted to $2221.

On a motion to approve general assistance bills totaling $8569, Mayor Partney cast the only dissenting vote.

National Award to Mitchell Fireman Who Saved Girl, 7

Stanley Lucas jr., 736 Ashland avenue, Mitchell, was awarded the American National Red Cross Certificate of Merit today. It is the highest award of the organization, given to persons for saving a life.

Volunteer Mitchell fireman Lucas on May 21 saved the life of Janice Baehr, seven years old, by performing a daring rescue and afterward administering lifesaving resuscitation. She is the daughter of Mr. and Mrs. Edwin Baehr, 13a Paul drive, Mitchell.

Both parties were at the scene of a fire when a high voltage electrical wire fell across the automobile in which Janice had been riding. The little girl, attempting to get back into the auto, was trapped half in and half out when she was hit by the electricity.

Lucas, who was wearing rubber shoes and gloves, rushed to the car, dragged Janice to safety, and then immediately administered mouth-to-mouth resuscitation to revive the victim.

Comment by Physician

Dr. Belmont R. Theile, the hospital, said, "There is no question in my mind that Mr. Lucas was responsible for saving the life of the girl, by freeing her from the electric charge and applying mouth-to-mouth resuscitation."

Lucas, who received standard first-aid training in 1957, was retrained in June 1969 by A. J. Renaldi at the Illinois Firemen's College, Champaign-Urbana.

The presentation ceremony took place today at the Tri-City Red Cross chapter office. Representing the chapter were, William F. Winter, chairman, Mrs. Maxine Duniphan, secretary, and Mrs. Ruby Overbeck, executive director.

The rescued girl and her mother were present along with Lucas and his wife.

The high award requires substantiation by a number of witnesses. In addition to a framed certificate, a pin symbolic of the award was presented to Lucas.

Father of Three

The 33-year-old fireman, father of three children, risked his life to rescue the girl, who was knocked unconscious by high tension voltage from a line which fell across an auto near the scene of a $200,000-$250,000 blaze that destroyed Poor Boy John's Discount store.

A Granite City Steel Co. employee, Lucas was at a Mitchell fire truck pumper, nearly a block away from the blaze, when he saw the power line flash and drop across the automobile.

"No one was in the car, but then the little girl started to crawl inside. She was half in when the electricity hit her, and she collapsed across the metal threshold of the door," Lucas told a Press-Record reporter-photographer at the scene.

"She had blue sparks coming from her fingers inside the car and from her toes on the ground. All I could think of was my own eight-year-old son. She seemed to be the same age.

"I grabbed her and put her on the ground and began mouth-to-mouth resuscitation.

"It seemed like 15 of 20 minutes. Maybe it was only five. But she revived and began screaming. I could see the skin was peeling away from her arm. Then an ambulance arrived and she was taken away."

Today there were no screams but instead a warm smile of thanks for the man who saved her life.

Lester Fehling, 66, Dies Today

Henry Lester Fehling, 66, of 3732 Fair Oaks drive, died at 1:20 a.m. today in the Jewish Hospital, St. Louis. He entered the hospital after suffering a heart attack at his home Sunday morning.

Born in Granite City, he was a lifelong local resident. He was owner and operator of the former Fehling's restaurant in downtown Granite City.

He was a member of St. Peter's United Church of Christ, Elks Lodge 1063 and Masonic Lodge 835.

He was a member of one of the founding families of this community, and its extensive property holdings once included the present side of Granite City high school.

Mr. Fehling is survived by his wife, Mrs. Mildred Hart Fehling; three aunts, Mrs. Phillip (Elizabeth) Morrison and Mrs. Louisa Lieffering, both of Granite City, and Mrs. Larry (Amelia) Francis of St. Louis; and seven cousins, Mrs. Paul (Karmyn) Edmonds, Miss Vermilla Harbig, Mrs. Roland (Ann) Mueller, Dr. Amos Rode, Henry E. Lueders, Harold Kronsbein and William Lieffering, all of Granite City.

Funeral arrangements are given in today's obituary column.

American-Moss Plans New Venice Facility

Plans for construction in Venice of a cross-tie unloading and separating facility by Moss-American, Inc. was disclosed during a regular meeting of the Venice city council Tuesday night in which a building permit for the work was approved.

The new facility, which will be partly roofed over, will cost an estimated $75,000, according to specifications of the building permit. It will be built at the south end of Washington avenue.

The council also approved an ordinance providing that members of the council may receive per diem allowances for meetings during two absences, and also may be paid for meetings which he does not attend if the absence is caused by illness, a death in the family or a temporary change in the alderman's work schedule.

Vadalabene Takes Senator's Post From Ottwein

Sam Vadalabene (D-Edwardsville) won an easy victory in his race for election as state senator of the 53rd district in Tuesday's election, defeating incumbent Republican Senator Merrill Ottwein, also of Edwardsville, by a vote of 30,374 to 24,216.

Vadalabene took an early lead in the vote returns and retained it throughout returns from voting precincts in the ten townships of the 53rd senatorial district. The senatorial district which Vadalabene will represent includes Granite City, Nameoki, Venice, Chouteau, Alton, Godfrey, Edwardsville, Wood River, Pin Oak and Jarvis.

Ottwein had served as state senator for the past year, following a special election called after the senator's post was vacated by election in November, 1968 of Paul Simon (D-Troy) as lieutenant governor.

Voters also balloted for three state representatives of the 55th representative district, but their election was a mere formality since representatives are chosen by the primary vote. The vote for state representative in the seven townships of the district gave State Rep. Horace Calvo (D-Granite City) 49,741 votes and gave State Rep. Leland J. Kennedy (D-Alton) 43,634 votes. Robert J. Walter (R-Alton) is a newly elected representative, receiving 44,310 votes.

The 55th representative district includes Granite City, Venice, Nameoki, Chouteau, Alton, Collinsville and Wood River townships.

Government Seen As Primary Issue Facing Community

Seventy per cent of those surveyed locally see "improvement of local government" as the primary need in the Quad-City area, Leo H. Konzen, long-range planning chairman, reported at a monthly Chamber of Commerce board meeting Tuesday evening at the Rosebowl restaurant.

A need for industrial expansion was cited as the second challenge, and third in priority was environmental quality, the report showed.

The findings will be among the points considered in the "You-nited for Action" program, which was reviewed by Gene H. Sternberg, chairman.

A complete cross-section of this community will participate in the "You-nited" project, which will be highlighted by a "congress of community progress" Jan. 26.

Community development financing was substantially increased over past years in a yearly budget presented by Melvin Wilmsmeyer, committee chairman, and adopted by the board. A community relations director is to be added to the Chamber staff.

Unincorporated area needs were discussed during the meeting, presided over by President Albert H. Froemling.

Dr. Albert W. Trtanj, treasurer, reviewed finances and it was noted that Dr. Nicholas Nyaradi of Bradley University, speaker at the annual Chamber meeting Oct. 29, returned here Monday to address students at Venice, Madison and Granite City high schools.

Separate Levee Fund in Madison Area Requested

A request by William "Mike" Ebersoldt of Venice, a member of the East Side Levee and Sanitary district board of trustees, that a separate fund be provided for operation of the Madison county sector of the levee district, is to be studied in a meeting of the board with its auditor and other finance officials.

Ebersoldt made the request in a regular meeting of the levee board yesterday. He told other board members—Morris Chappell, Lawrence Tolar and George Duff, all of East St. Louis—that Madison county taxpayers living inside the levee district boundaries pay large amounts of taxes each year "and are not getting much of anything for their money."

Ebersoldt said he would prefer a separate fund for Madison county that would permit him to administer and maintain Madison county levee projects.

He said Madison county should use its own funds, paying a proportionate share to the levee district for use of the North Pumping station, Cahokia creek drainage canal and other facilities which are maintained by the St. Clair county sector of the district.

In Two Counties

At present the levee district is comprised of four large St. Clair county townships and Granite City, Nameoki and Venice townships and part of Chouteau township in Madison county. All funds go into the general fund and then paid for levee district expenses approved by the board.

Ebersoldt has maintained in the past that as the only Madison county member of the board, he is outnumbered on the choice of drainage projects and the amount of money spent on them.

The levee district is now beginning preparation of its annual budget and tax levy. The budget is adopted in January for a fiscal year that is the same as the calendar year.

Parked Auto Struck

An auto owned by Glenis Crisom, 2030 Illinois avenue, parked in front of his home, was struck in the rear by a hit-and-run driver of a pickup camper at 11:55 p.m. Wednesday.

Alexander F. Currie, 78, of 2805 Hebert street, died at 5:30 a.m. Thursday at St. Elizabeth Hospital where he had been a patient three weeks. He had been ill six months.

Mr. Currie was born in Graniteville, Mo., and lived here 47 years. He retired from Illinois Power Co. where he was an electrician 20 years. He was a member of the International Brotherhood of Electrical Workers, Local 309. His wife, Mrs. Dorothy Currie, preceded him in death in 1964.

He is survived by four daughters, Miss Jeannette Currie, Ms. Boda (Thelma) Mitchell and Mrs. Jewell Oehlecker, all of Granite City, and Mrs. James (Caroline) Cathers of Newport, R.I.; two brothers, Robert and Charles Currie of St. Louis; two sisters, Mrs. Harry (Hazel) Dietz of St. Louis and Mrs. Elizabeth Feneny of Chicago; four grandchildren and six great-grandchildren.

Funeral arrangements are given in today's obituary column.

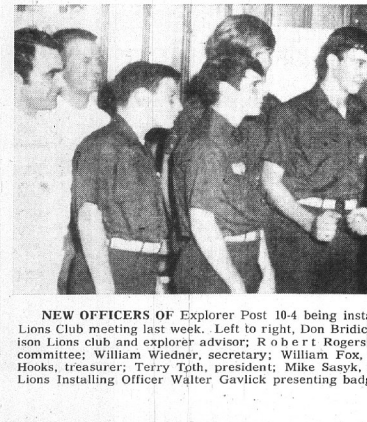

Frohardt Pupils Plan Dr. Berman Memorial

A spontaneous reaction by youngsters who attend Frohardt elementary school upon hearing of the unexpected death Tuesday of Dr. Benjamin B. Berman, has resulted in a fund to donate a memorial gift to the pediatrics ward at St. Elizabeth Hospital.

Lee Reid, Frohardt principal, today said a total of $151 has been collected so far by the children and it is expected the amount will increase to $200 by tomorow.

The idea for a memorial fund developed almost simultaneously from several sources, the principal said, and grew to include the entire student body. Yesterday, notes were sent home to advise parents what the children were doing, Reid added.

"Many of the youngsters were patients of Dr. Berman's and they are going to miss him," the educator noted. He also commented on efforts by the local pediatrician in organizing the throat culture-rheumatic fever control program in local schools. "This program has benefitted a great many of our children," he said.

Flag Is Presented for National Federation of Business Women

A state flag has been presented to Mrs. Harriet Knepp, state president of the Illinois Federation of Business and Professional Women's Clubs, who will present it to the National Federation.

The presentation was made by Mrs. Isabel Schmidt, a teacher at Prather junior high school and sister of former Senator Ralph T. Smith. The flag was presented in memory of their mother, Mrs. Clara Smith, who was a member of the Granite City BPW club and served as its treasurer for five years.

Mrs. Smith was sponsored as a candidate for membership by Mrs. Pearl Ryckman, a charter member who is still active in the club.

The presentation ceremony took place as the local club hosted the District 14 fall meetitivities. Attendance totaled 175.

Mrs. Pauline Weir, second City club, was general chairman. Mrs. Bonnie Lazenby, member of the board of directors and public relations chairman, was co - chairman. Theme was "Era of Responsibility."

The setting eleborately decorated in purple, gold white and green. The speaker's table was decorated with floral arrangements of purple, white and gold, and these were lighted tapers of the same colors. Dolls were dressed in bouffant formals of alternate colors, carring banners of green and white reading "Enrich-Renew-Act."

Each guest recieved dolls made of green net and filled with mints. The programs were cut in the shape of the state of Illinois and were in purple and gold, with a gold star marking Granite City.

The meeting was called to order by the District 14 chairman, Mrs. Florine Read. The colors were posted by Veterans of Foreign Wars Post 1300 and the pledge of allegiance was led by Mrs. Helene Bischoff. The Club Collect was read by Mrs. Mary Batson, district vice-chairman and past president of the Granite City club. Introductions were given by Mrs. Read.

The welcome was by Mrs. Emylee Afford president of the host club. She introduced Albert H. Froemling, president of the Tri - Cities Chamber of Commerce, who gave welcoming remarks. The response was by Ruby Jackson, president of the Grand B's club. Special music was provided by a soloist, Mrs. June Nightwine Branding, and accompanist, Mrs. Catherine French; they are members of the Evening Etude Music club.

Guest speaker was Mrs. Doris Marks, Rockford, president-Elect of the Illinois State BPW Federation.

Mrs. Marks served her club as president and parliamentarian and the state federation as public relations chairman and legislation chairman. She is the only woman air - conditioning and heating engineer in the northern Illinois region, and is noted for developing engineering techniques which have been copied by many in her industry.

Her activities include: president of Region Four of the Illinois Conference of Women Leaders for Traffic Safety and the Rockford chapter of Zonta International. She is active in the Winnebago County Extension Education Association, a member of the Council on Status of Women and trustee of the Northern Illinois Sheet Metal Contractors Industry Fund and the Girl Scouts.

Her topic, "It's Up to You," emphasized responsibility to BPW clubs, family and community. Her closing remarks were "Whoever you are, there is a place for you that only you can fill."

A business meeting was conducted by Mrs. Read. She announced that on Nov. 14 there will be a workshop on "how to make a report."

The spring district meeting will be held in Jerseyville, and the fall 1971 district meeting will take place at Marissa. There were numerous state officers at the meeting, including the immediate past state president, Mrs. Yvonne Bradley.

A dinner meeting of the local club has been set for 6:30 p.m. Nov. 18 at the Rosebowl, with Mrs. Sandy Townzen, legislation chairman, and her committee in charge.

ILLINOIS STATE FLAG presented by Mrs. Isabel Schmidt (left) to Mrs. Harriet Knepp, president of the Illinois Federation of Business and Professional Women's Clubs. The flag was obtained by Mrs. Schmidt's brother, U. S. Senator Ralph T. Smith, to be placed in the National Federation headquarters building.

SORORITY CHAPTER PLANS DINNER

Alpha Xi chapter of Epsilon Sigma Alpha sorority met Tuesday evening with Mrs. Carol Poole, 2237 Lynch avenue.

Mrs. Kathy Dohnal, president, called the meeting to order and read an invitation from sister chapters to the Illinois State Council open board meeting to be held in Lincoln Nov. 15.

Reports were given and coupons were collected to help finance a kidney machine for use by a patient. Mrs. Dohnal reported on the recent state convention, and the remainder of the evening was spent by the chapter members in making pine cone wreaths for Christmas.

Refreshments were served to Mesdames Gerry Mendez, Betty Arbeiter, Joyce Albers, Mary Firtos, Sue Sansarian, Rosalie Buente, Pat Lalich, Betty Colligan, Mary Modica and Barbara Orris.

The next meeting will be a progressive dinner Nov. 17.

WCTU TO MEET

The November meeting of the Woman's Christian Union will be held Friday evening in the home of Mrs. Robert Niepert and Mrs. Ruth Johnston, 2235 Edwards street.

SORORITY HOLDS BUSINESS MEETING

A business meeting of Eta Chapter of the Phi Tau Omega sorority was held last night at the Elks Club.

Mrs. Judy Adams, president, conducted the meeting which was attended by sixteen members.

A number of future projects were discussed and prizes were won by Mrs. Jo Ervay and Miss Eunice Hatscher.

Plans were made for the November social meeting when Mrs. Valeta Bauder, Mrs. Mary Yackel, Mrs. Barbara Ingram and Miss Hatcher are to be the hostesses.

Observe Silver Anniversary

Mr. and Mrs. Ernest Eli were guests at a surprise party over the weekend in the home of Mr. and Mrs. Bob Ming, 3029 Ramona drive, to celebrate their 25th wedding anniversary.

The affair was given by a group of their friends and the fireplace in the rathskellar, decorated with silver, held silhouettes of the guests of honor. Gifts for the couple were displayed on a table before the fireplace.

Others attending, beside the Elis and their twin daughters Shelley and Stacy, were Mr. and Mrs. Bert Houston, Mr. and Mrs. Pat Rich, Mr. and Mrs. Leonard Davis, Mr. and Mrs. Leonard Krisman, Mr. and Mrs. Lester Fehling, Mr. and Mrs. Norbert Sudholt, Mr. and Mrs. Edward Jenkins, Mr. and Mrs. Paul Edmonds, Mr. and Mrs. Walter Kofka, Mr. and Mrs. Joe Kastelic sr., Mr. and Mrs. Bill Stearns.

Mr. and Mrs. Arthur Grimm, Mr. and Mrs. Horace Calvo, Mr. and Mrs. Larry Koglin, Mr. and Mrs. Ray Willaredt, Mr. and Mrs. Clyde Boyd, Mr. and Mrs Russell Robinson, Mr. and Mrs. Phillip Sykes, Mr. and Mrs. Earl Feldman, Mr. and Mrs. Von Dee Cruse, Mr. and Mrs. Nick Neunerling, Mr. and Mrs. Nelson Haganauer, Mr. and Mrs. Ray Hoelter, Mr. and Mrs. William Thomas, Mrs. Ralph Parmley, Miss Mary Belle Slattery, Miss Patty Drew, Bill Tarris, John McCord and Charles Rittberger.

Mr. and Mrs. Eli were married Nov. 1, 1945 at Eden United Church of Christ in Edwardsville.

WIG DISPLAY AT GUILD MEETING

Approximately 50 members and guests attended a monthly meeting of the Evening Guild of St. John United Church of Christ Monday evening at the church.

Mrs. Karen Wagner, president, was in charge and a thank you gift was presented to the retiring president, Mrs. Pat Schulte. Announcement was made of a luncheon and book review to be held at St. Peter United Church of Christ Saturday, Nov. 14, and plans were made to send a Christmas gift to a girl the group is sponsoring in the Orient.

There was also a discussion of arrangements for mailing Christmas cards to all men from the church in military service, and to send a Thanksgiving basket to a needy family.

The worship service was conducted by Mrs. Karen Frazier. Mrs. Jane Kennerly, Mrs. Doris Oliver and Mrs. Georgia Surbey.

After the program there was a display of wigs and a talk on their care by two representatives from a wig company. The meeting closed with the Fellowship of the Least Coin service and refreshments were served by the committee in charge.

MISS PARKER IS SHOWER HONOREE

The home of Mr. and Mrs. Charles Kohl, 2340 Gary avenue, was the scene of a delightful party during the weekend when Miss Patricia Parker, a bride-to-be, was guest of honor at a luncheon and shower given by Mrs. Kohl.

Miss Parker is to be married Nov. 14 to Thomas R. Hewlett. The ceremony will take place at St. Elizabeth Catholic Church.

The guest of honor was presented with a humorous book on "Love and Marriage" compiled by the guests and there was also a game with Mrs. Frank Kraus the winner.

Those present were Mrs. Keith Parker, mother of the honoree, Miss Catherine Tretter, Mrs. William Hodge, Mrs. Harold Mercer, Mrs. Kenneth Rapp, Mrs. Alex Tarpoff, Mrs. Pat Busch, Mrs. Clem Rehagen, Mrs. Charles Goff, Mrs. James Parker, Mrs. William Burcky, Miss Jane Lee Parker, Mrs. Louis Brusatti and Mrs. Frank Kraus.

ROLLETTES MEET WITH MRS. WOFFORD

The Rollettes club met Monday evening in the home of Mrs. Kathleen Wofford, 2553 Center street.

Those winning prizes were Mrs. Marlene Waggoner, Mrs. Betty Brooks and Mrs. Connie Tinsley. Others present were Mrs. Helen Randolph, Mrs. Carol Smith, Mrs. Helen Simpson, Mrs. Jeanette Wilson, Mrs. Edith Wofford, Mrs. Wanda Sweeney, Mrs. Nellie Nicol, and a guest, Mrs. Wilma Burns.

A dessert course was served and Christmas plans were made by the group. The next meeting is to be with Mrs. Nicol, 3010 Marshall avenue.

The birthday of Mrs. Randolph was observed at Monday's meeting and she was presented with a gift from her "secret pal."

Mr. and Mrs. Alfred H. Williams of Rural Route Two, Astoria, Ill., former Granite Cityans, will celebrate their 50th wedding anniversary Sunday, Nov. 29, at an open house given by their family in their home from two until four o'clock in the afternoon.

The couple, long time residents of Illinois, were married Nov. 28, 1920 in Troy by the Rev. Frank L. Eversohl a Presbyterian minister. Their attendants were Miss Florence Orton and Sam Davis, both of Granite City at that time.

The couple spent several years in Florida in the Miami and Fort Lauderdale areas before Mr. Williams' retirement from the PAG Seed Company. They are parents of a son Clifford, who resides in Bloomington, Ill., with his wife Ida, and their family, and a daughter Mrs. Bill (Betty Lou) Hargis, who makes her home in Columbia, Mo., with her husband. There are also two grandchildren, Wayne Alan Williams and Denise D. Williams.

MISS CAROL SMITH. Her engagement to Pfc. Darrell Dowden, a son of Mr. and Mrs. Don Dowden of Susanville, Calif., is announced.

Miss Carol Smith To Marry

Announcement is made today of the engagement of Miss Carol Smith, a daughter of Mr. and Mrs. Leon Smith, 2857 Washington avenue, and Pfc. Darrell Dowden, a son of Mr. and Mrs. Don Dowden of Sunnyville, Calif.

The bride-to-be is a senior at the Granite City high school. Her fiance, formerly stationed at the Army Depot here, is now stationed in Hawaii. Tentative plans are made for a late December wedding.

Open House at Marshall School

A near-capacity crowd attended an open house program at Marshall school Tuesday evening to observe American Education Week and to enable the parents to get acquainted with their child's teacher and note academic progress. All the faculty members and the principal, Miss Mary Hopkins, were present to welcome the parents.

Classrooms held displays and of special interest were four works of art. Mrs. Mary Lou Schaub's third grade class made a colorful display symbolic of early history, "Life Among the Indians," Mrs. Carol Harkness's fourth grade made a model of the earth out of papier mache; Mrs. Mary Ann Reid's fifth grade presented pottery and clay crafts; and A. J. Mueller's fifth grade class showed a New England village scene and a Virginia plantation.

The PTA conducted a membership drive under the direction of Mrs. Marilyn Smith and Mrs. Ann Osborn; 115 new members were enrolled.

The PTA yearbook, "Building Bridges to Better Understanding," was distributed. It was prepared by the vice-president, William Schreiber.

Melford Dutton, president, announced that a general meeting of the PTA will be held Nov. 17, with the Supt. of Schools B. J. Davis as guest speaker.

SORORITY MEETS WITH PRESIDENT

Xi Zeta Psi Chapter of Beta Sigma Phi sorority was entertained Tuesday evening in the home of the president, Mrs. Geraldine Cox on Village Lane.

The hostess presided during the business session and gave the program, a discussion on the countries of Asia and Eastern Europe.

Among those attending the meeting were Miss Hazel Towery, Miss Annabell Zang, Mrs. Ruth Seymour, Mrs. Mary Yevin, Mrs. Virginia Johnson, Mrs. Helen Law, Mrs. Martha Santuro, and Mrs. Ella Reynolds.

The December meeting will be with Mrs. Seymour.

NEWLY ORGANIZED "Y" GROUP MEETS

The newly-organized Delta Kappa Tri-Hi-Y group met Monday evening at the YMCA with 24 members and the advisers, Miss Kathy Wiezenborn and Mrs. Sharon Engelke, present.

A report was made of a recent bake sale and plans were completed for a car wash Saturday from 10 a.m. until 4 p.m. at Branding's Service Station on Johnson road.

A zodiac party for members of the various chapters of Beta Sigma Phi sorority was given Monday evening at the Trave-Lodge and a buffet supper was served.

Those attending were Dee Byrne, Jane Laule, Imogene Forrest, Betty Ebling, Arlene Haldeman and Delores Dortch of Xi Epsilon Chi chapter; Tina Buenta, Donna Lane, Cheryl Pounds, and Claudene Hancock of Pi Eta Chapter; Sharon Best, Barbara Dickerson, Donna Sprankle, Julie Gates, Pat Pfaff, Mary Baker, and Sharon Rush, Theta Theta Chapter; Mary Yevin, Jerry Cox, Hazel Towery, Helen Law and Martha Santuro, Xi Zeta Psi chapter.

The party room was decorated with zodiac symbols made by the Pi Eta group and members of the various chapters were dressed in their lucky zodiac colors.

A gift exchange followed the buffet meal and announcement was made of the next City Council meeting to be held Dec. 14 in the home of the Council president, Miss Hancock.

ROTARY ANN'S PLAN CHRISTMAS PARTY

The November meeting of the Rotary Ann's was held Tuesday at Ravanelli's restaurant, preceded by a noon luncheon.

Mrs. Mary Wilkins, Mrs. Dorothy Maer and Mrs. Evelyn Ackerman served on the hostess committee and Mrs. Ruth Polson, president, was in charge. New year books were distributed and Mrs. Alice Baugh was a new member welcomed. There were also three guests present, Mrs. Dodie Ackerman, Mrs. Pat Konzen and Mrs. Herman Steinberg.

After the luncheon and business hour the members and guests enjoyed a tour of the Proctor and Gamble Company.

Members attending were Mesdames Dorothy Shelton, Lois Hassler, Helen Stoever, Marie Reinhardt, Maxine Anderson, Betty Mathias, Lorraine Decatur, Clara Huber, Lois Adams, Carma Froemling, Joan Tadlock and those previously mentioned.

The annual Christmas party was planned by the club. It will take place Dec. 8, the place to be decided upon later.

McKINLEY SCHOOL PTA TO HEAR REA

The executive board of the McKinley PTA met Tuesday night at the school to plan for the PTA meeting Tuesday, Nov. 10, at 7:30 p.m.

The president, Mrs. Sadie Bringer, conducted the meeting, which was attended by the vice-president, Mrs. Janet Fuhrman, secretary, Mrs. Juanite Hunter, and treausrer, Mrs. Sandy Simpson. Also attending were the hospitality co-chairmen, Mrs. Darlene Brawley and Mrs. Lyn Frangoulis, and Area PTA Council representative, Mrs. Gladys Templeman.

The annual Christmas party will feature a local magician, Don Menke, for the second year.

Plans were made for prizes to be awarded in a candy sale which will end Nov. 9. Prizes will be $15 and $10. Each one selling over 100 boxes will receive a gift certificate.

Arrangements were made to send flowers to Mrs. Jane Lux, the school nurse, at St. Elizabeth Hospital. Announcement was made that the Area Council will meet Nov. 19 at Lake school.

The PTA will purchase a new gavel for each president, who will retain the gavel.

A committee will obtain prices on fans for use in the school rooms.

Dale Rea, assistant to the superintendent, will present the program at Tuesday's PTA meeting, and fifth grade room mothers will be in charge of refreshments.

CUB SCOUT PACK SEVEN PLANS MUSEUM VISIT

Cub Pack Seven of St. Joseph's Catholic Church has completed plans for a "family caravan" to the Madison County Historical Museum in Edwardsville on Sunday, Nov. 8, in observance of "Pioneer Days," the November cub scout theme.

Families are to meet at the church at 1:15 p.m.

The pack at its monthly meeting welcomed Assistant Granite City Fire Chief Charles Hileman, who presented demonstration on fires and fire prevention, using a visual explosive chamber and a "fire triangle."

He also demonstrated the hazards of aerosol sprays, explained the use of various types of fire extinguishers. Hileman distributed leaflets on fire prevention to the scouts and adults. He was introduced by Joseph Geisler, pack committee chairman.

A candlelight ceremony was conducted by Geisler, who awarded bobcat pins to Michael Bennett, Joseph DeRuntz, Robert Mungovan and Fred Gonzales. Other awards went to Mrs. Myrna Geisler, den mother of Den Two, a two-year-pin, and Darren Geisler and Gerald Norton, two-year pins and naturalist badges.

Year pins were presented to John DeRuntz, Wesley Stanfill, Jack Nelson and Richard Buecker, who also received his bear badge. All the scouts were presented American flag emblems to be worn on their uniforms.

Cubmaster Andy Timko announced that plans have been completed for the den mothers to be guests of the pack at the scouter recognition dinner in November.

A short play, "Halloween Spirit," was given by members of Den Two. The attendance "cubby award" was won by Den Two.

Displays of work the boys have done were viewed by the parents and other scouts. Included were hand-made pumpkin men centerpieces made from pumpkins by cubs in Den One and gourd centerpieces made by Den Two.

All the cub scouts and committee members participated in a closing ceremony. Cubs included those named and Gregory Rienburg, Herman Rieser and George Taylor.

Committee members were Mrs. Virginia Buecker, Mrs. Myrna Geisler, Mrs. Jean Stanfill, Timko and Geisler.

Refreshments were served, and it was announced that the Pack will meet Nov. 19 at 7 p.m.

YOUTH FELLOWSHIP TO COLLECT CLOTHING

A clothing drive is being held by the Christina Youth Fellowship at Central Christina Church for the benefit of the Co-ordinated Youth Services Office, where the "Nearly - New Clothing Center" is operated.

Clothing is needed to enable local children to attend school. Sizes 6-12 for both boys and girls are the most urgent need.

Anyone with clean, usable clothing to donate may call the church office 876-0532, or the Parrish family at 931-4207 to arrange for pick-up service.

The youth group met Sunday night at the church to complete plans for the drive, and renew their current fund project of raking and hauling away leaves. The same numbers can be called.

CYF President Duane Parrish conducted the meeting, and other attending were Joe Berkbigler, Kirk Hulse, Gary Powers, Diane Parrish, Bambi Signaigo, Donna Cain, Herb Cain, Laura Hansen, Susan Turner, Diane Turner and the sponsor, Jim Ash.

CUB PACK 28 PLANS 'PIONEER NIGHT'

The pack committee of Cub Scout Pack 28 of Parkview school met Monday evening in the school cafeteria with Chairman Bill Voss and Cubmaster Edward Monahan.

"Pioneer night" will be observed at the pack meeting Nov. 9 at 7:30 p.m. Den Four will be responsible for a flag ceremony, which will feature the entire pack. The pack also will present the colors at the Parkview PTA meeting Nov. 19.

Refreshments for the pack meeting will be provided by mothers of Den Two. It was decided to include the Lord's prayer in opening ceremonies at each meeting.

The pack will sponsor a household light bulb sale during the coming months. Each scout will be selling the packages. Chairman is Mrs. Carolyn Thornberg.

The pack will conduct a community service project of collecting used blankets, spreads and rugs for use during the winter months at the Granite City animal shelter. The items are to be brought to the Dec. 14 pack meeting to be presented to a representative of the shelter.

A holiday basket will be prepared at the December meeting, each boy bringing a nonperishable item. The basket will be accepted by Mrs. Dorothy McCormack of the Granite City township relief office.

Plans were discussed for visiting the Madison county nursing home during December. Mrs. Joanna Spencer is to report at the next meeting on a possible date.

Cubmaster Monahan reminded all present of the cub scout leader roundtable meeting Nov. 10 at Parkview school. Announcement was made that the annual "pinewood derby" will take place at the January meeting.

Others present included the pack treasurer, John Farrell, assistant cubmaster, Larry McIlvoy, and Mesdames Larry McIlvoy, Bonnie Britton, Betty Hackney, Marjorie Bradley, Vancela Wilkins and Harriet Lovins.

CADETTE CAMPOUT

The Shawnee patrol led Cadette troop opening and closing ceremonies at a meeting Monday evening at Prather junior high school. Mrs. Margarette Barton and Mrs. Venka Ambuehl are leaders.

The girls discussed a campout and a pajama party held at Camp Chan-Ya-Ta. They returned home Sunday evening after a study of explorer badge requirements and a requirement for the emergency preparedness challenge. Also discussed were fire building and safety rules.

Several of the scouts brought rock collections they had assembled at camp along with pictures made out of scraps of wood, acorns and leaves gathered in the wooded area at the campsite.

Plans were made to make tray favors for The Colonnades nursing home for Thanksgiving; it is a Neighborhood Two project in which all leaders and troops participate annually.

Cadettes present were Kathy Ambuehl, Sherrel Barton, Theresa Basdin, Charlene Bennett, Pamela Collins, Bonita Davis, Theresa Hancock, Kathy Justice, Patti Parizon, Mary Ann Stanfill, Patty Taylor, Judy Whittaker, Anita Wilson and Karen Zimmerman.

WEBSTER PARENTS TO HEAR PRINCIPAL

The November meeting of the Webster PTA executive board was held at the school Monday evening. Plans were made for the PTA meeting Nov. 9 at 7:15 p.m. Principal Clyde Lee will speak and display a collection of "carnival" glass.

Mrs. Annette Scrum, president, presided and reports were given on current projects. Mrs. Scrum announced that the October spook carnival was the most successful thus far. She reported on the coronation which opened the dance: Richard Burch and Pam Williams were elected as "spook" king and queen. Mrs. Sandy Pagan was in charge of the crowning.

Mrs. Diana Dietrich gave a report on the flower fund. Mrs. Cathy Lingle, room mother chairman, announced that an appreciation "tea" for all the carnival workers will be held Nov. 12 in the cafeteria at 7:30 p.m. A questionnaire will be distributed concerning opinions on game booths at the carnival.

The board discussed annual field trips and Christmas treats, and it was decided to appoint a committee to inquire about treats. Others attending were Mrs. Allene Moore and Mrs. Donna Jones, hospitality chairmen, Mrs. Mae Lee, Girl Scout representative, Mrs. Eva Arbogast secretary, and Mrs. Doris Stotz, publiciay chairman.

The next board meeting will be held Dec. 7.

MRS. SGAGGS HOSTESS

The Gay Twenties Social club held its November meeting in the home of Mrs. Jane Scaggs, 2159 Orville avenue, Tuesday evening. Plans were made for a Christmas party next month.

The hostess used a Thanksgiving theme in the table decorations with a pumpkin and turkey centerpiece in fall shades of orange, gold and brown. An angel food delight and pumpkin pie were served to Mesdames Dianne Hill, Kathy Scholebo, Betty Pike, JoAnn Byers, Susan Nolan, LaVerne Wimberly and Judy Rainwater.

Mrs. Rainwater invited the club to her home, 2128 Miracle avenue, for the Christmas meeting, and tentative plans were made to go caroling. Each member is to bring a covered dish, gift exchange and game prizes.

The meeting adjourned for a game period, with everyone receiving a prize.

ENTERTAIN PATIENTS

A belated costumed Halloween party was held Tuesday evening for Cadette Troop Nine under the leadership of Mrs. Joan Oram and Miss Jane Haack at the Hope Lutheran Church. Prior to the festivities, the scouts went to St. Elizabeth Hospital to entertain patients in the pediatrics ward; the girls were in costume and presented the patients with treats.

Participants were Rita Ahlers, Mary Kay Chapline, Kay and Tammy Coberly, Tina Collins, Diane Fleck, Carole Griffin, Karol Lee, Vickie Welty and Patty York. Plans were made to go to an ice show in St. Louis with Senior Troop 1177 Friday evening.

CUB PACK EIGHT FAIR

An awards presentation and "fun fair" were held at the First United Presbyterian Church for Cub Pack Eight, with Cubmaster David Warren, Mrs. Sally Ebling and Mrs. Alberta Buhmann in charge, Monday evening.

Mrs. Ebling's den led the opening ceremony. The cubs gave a reading, "Make America Proud of You." The den also gave astunt, "Operation," and Webelos gave a version of "The Great Pumpkin."

The fun fair was held in the fellowship hall, with games and exhibits. Proceeds will go to the Muscular Dystrophy Foundation. During an awards presentation by the cubmaster, five boys received the bobcat award —David Barron, Donald Marcus, Shane Robins, Mark Thomas and James Woodson.

Richard Smith received a silver arrow point, Richard Smith and Kevin Peterson, bear books, and Jeffrey Gary, year service award. Webelos awards went to Davis Willis, aquatic, naturalist and showman, Don Courtney, forester, Stewart Williamson, traveler and athlete, and Wally DeShon naturalist, outdoors, showman and traveler. Six clubs, Brian Warren, Bob Curtis, Richard Bicker, Claude Ohaneson, Dennis Rudder and Jim Morgan, received the showman award.

The highest awards in cubs, Light of the Arrow, was presented to David Willis, and Mrs. Gerry Willis received a matching pin. Cub Carl Ebling, who is advancing into Boy Scout Troop Seven at Sacred Heart, received a graduation certificate. Recruiter awards were given to Webelos Bryan Warren, four, Jeff Warren, two, and John Buhmann, Brian Pimble and David Willis, one each.

Webelos Den One was presented the "cubby" award the most parents in attendance. Warren closed the program with a theme of "united we stand and divided we fall," stressing need for volunteer workers in the scouting program.

Man Arrested, Held As Parole Violator

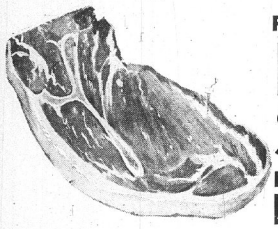

Ronald Adler, 27, alias Rex Klowetter, 718 Washington avenue, Madison, was held in the Madison county jail for Indiana authorities as a parole violator after he was arrested at 11:05 a.m. Tuesday.

He was taken into custody by a Granite City detective on a charge of obstructing justice, and bail was set at $4000. Police said he had been convicted of a burglary in Indiana and later was paroled.

Lincoln String Quartet To Perform on Sunday

The Lincoln String Quartet at Southern Illinois University-Southwestern will give a concert at 3:30 p.m. Sunday in Science laboratory lecture hall. The public is invited, admission free.

Included on the program will be Quartet in A Minor, Opus 29, by Schubert; Quartet in A Major by Kozinski; and Quartet in F Major, Opus 59, No. 1, by Beethoven.

Founded in 1965, the Lincoln String Quartet includes members of the University's music faculty who combine active careers of performance and teaching.

Members include John Kendall, first violinist and a leading exponent of the Suzuki "listen and play" method of teaching; Dan Rouslin, second violin; Robert Schieber, violist; and Joseph Pival, cello.

Cannon Wins Honors at Wabash Valley College

Bill Cannon of Madison at Wabash Valley College, Mt. Carmel, has been selected as the VIS (Very Important Student) around campus.

He received the honor primarily because he submitted the winning name for the Wabash Valley College newspaper. The 1970-71 college publication will be called the Student Voice.

Cannon is an active participant in football, basketball, golf, tennis and pool. In high school, he played basketball for three years and was captain of his team for two of those years. He also went out for cross country one year.

Cannon's extra-curricular activities during high school were the Letterman's Club, the Talent show, and the Fashion show. In his leisure time, he enjoys writing poetry and prose.

In sizing up Wabash Valley College and its many aspects, Cannon believes that the college's programs are excellent for a college of its size; he is also of the opinion that WVC's enrollment will continue to grow, despite the refusal of athletic scholarships. He would like to see more student support of the college activities and would like to see the athletic department become enlarged and more courses added to the present list.

His athletic life fails to interfere with his educational life, as he is pursuing a liberal arts course with a major in the social sciences.

GM Offers Grants to High School Seniors

General Motors has announced the continuation of its scholarship plan for the fall of 1971, beginning the 17th year of the plan. Scholarships will be awarded by 124 participating colleges and universities to 136 outstanding secondary school graduates. The awards will be made to entering freshmen and may be renewed through the normal four undergraduate years for those with satisfactory records.

While the colleges have full discretion in the allocation of GM scholarships and in the selection of students, they have been asked to give preference to those applicants who look forward to careers in industry.

For example, those institutions which offer programs in engineering are urged to select highly qualified young people who are interested in this field of study. Colleges which do not offer degrees in engineering are being asked to select students in business administration, economics, mathematics and science. Full information is available at area high schools.

Finals Set For Miss American Teen

The Miss American Teen-Ager Pageant will present the Miss Illinois State Finals in Springfield on Friday and Saturday Aug. 27-28, 1971, it was announced this week.

Girls interested in entering the contest may obtain applications by writing to the Official Certification Office for the State of Illinois, 126 Bunn drive, Rockton, Ill., 61072.

The pageant is open to all girls ages 13 through 17 years. Contestants are judged for their civic contributions, scholastic achievement, poise, personality and appearance.

The Miss American Teen-Ager Pageant is neither a talent nor swimsuit contest, but the oldest and largest teenager pageant of its kind in the nation, according to sponsors, who noted the event is recognized by educators and cited in the Congressional Record for its outstanding contribution to our teen-age girls.

The winner chosen on Aug. 28 will then represent Illinois and will travel to Palisades Park, N. J. in September with a chaperone, all expenses paid, to represent her state in the National Finals and compete for the title of Miss American Teen-Ager, organizers said.

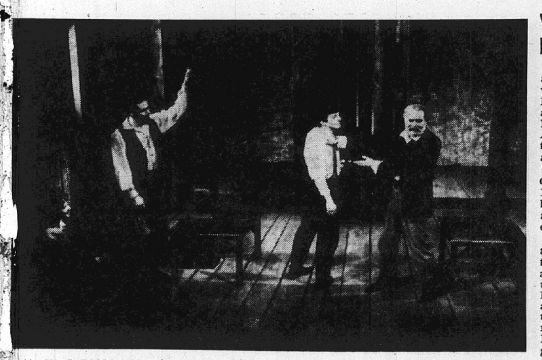

Parent-Child Program Heard Through U. S.

Parent-Child, a talk program heard each Tuesday morning over Southern Illinois University's Southwestern's new radio station, Wsie-fm, has been accepted by National Educational Radio (NER) and is now heard on 435 educational stations throughout the 50 states.

Designed to improve family relationships, the series began three years ago with taped dialogues between Cameron Meredith, professor of educational psychology and Fred Crimminger, station manager.

According to Crimminger, the tapes have been aired by 10 radio stations in Illinois and Missouri since 1967.

Parent-Child is heard over Wsie-fm each Tuesday morning on Dateline, a program which can be heard between 6:20 and 8:20 daily.

WHITMAN PORTRAIT to be presented on the stage at Southern Illinois University-Southwestern at 8 p.m. Friday as an Artist-Lecture Series event.

Whitman Portrait to Be Presented Friday

A Whitman Portrait, written and directed by Paul Shyre, will be presented at Southern Illinois University-Southwestern at 8 p.m. Friday in Meridian hall of the University Center. An Artist-Lecture Series event, the play is open to the public, admission free.

When A Whitman Portrait opened in New York City in 1966 it was hailed by critics both as a work of outstanding artistic merit and a stirring evening's entertainment.

The four-character play in two acts not only contains the poetry and prose of Whitman, it also sets forth the life and times of the American writer. It takes him from his youth as a tramp journalist and scribbler through his grim experiences nursing the Civil War wounded. He is finally seen as the "good, gray poet" in his later years when, though ill and impoverished, he attained his full stature as the bard of democracy.

One critic writes, "There is a startling immediacy about A Whitman Portrait. Whitman, too, lived when our country was engaged in what was then an unpopular war . . . when a leader, Abraham Lincoln, was assassinated; when serious efforts were begun, at long last, to include black citizens in the developing American democracy. All these elements, so pertinent to the turbulent present, are an integral part of A Whitman Portrait."

Performing Arts Group To Present Program

A program of dance, drums and songs will be presented to the Illinois Speech and Theatre Association in Springfield Friday by the Performing Arts Training Center company of East St. Louis, a unit of Southern Illinois University-Southwestern.

The program, featuring African and Brazilian numbers, will be performed by staff and students of the PATC program.

Miss Katherine Dunham, founder and director of the Performing Arts Training Center, is a renowned dancer, choreographer, writer and producer.

Population Author to Speak Tuesday at ISU

Dr. Paul Ehrlich, whose book, "The Population Bomb," has attracted national and international attention, will deliver a free public address at Illinois State University Tuesday, sponsored by the ISU chapter of Zero Population Growth Inc., in conjunction with the university.

Ehrlich, who is a biologist at Stanford University, will speak in the university's Horton Field House at 8 p.m.

TWO CHECKS being received by Eric N. Rackham, right, president of McKendree College, from Charles Howard, local spokesman for the Sears-Roebuck Foundation.

McKendree Receives Two Grants from Sears

Grants totaling more than $134,400 will be distributed to 48 privately supported colleges and universities in Illinois this week by the Sears-Roebuck Foundation, a spokesman said today.

McKendree College of Lebonan will receive an unrestricted grant and also a library grant.

Dr. Eric N. Rackham, McKendree president, was presented with the two checks by Charles Howard, local spokesman for the Sears-Roebuck Foundation.

The Illinois colleges and universities are among more than 975 private, accredited two- and four-year institutions across the country which are sharing in $1,500,000 in Sears Foundation funds.

Nationally, private colleges and universities will receive $1,000,000 in unrestricted grants and an additional $500,000 through a Sears Foundation program to assist college and university libraries.

The unrestricted funds may be used as the colleges and universities deem necessary. The library grant program is designed to supplement the normal book acquisition budgets of the participating institutions.

In addition to its unrestricted and college library grant programs, the Sears Foundation during the current year will invest slightly more than $500,000 in various student financial aid and other education programs, the spokesman said. This will bring the higher education expenditures of the Sears-Roebuck Foundation to more than $2,000,000 in 1970.

Madison Coed to Dance In Concert at ISU

Kathleen Foley, 1653 Seventh street, Madison, will participate in a concert of dances to be staged by the department of health and physical education at 8:15 p.m. Friday and Saturday at Illinois State University.

She will dance in the number "Moments with the Winged." Nine seniors and 15 juniors have choreographed 13 dances for the concert.

Teen Age Demos Hear Talk on Constitution

Ray Johnsen, who was an area delegate to the Illinois constitutional convention, discussed the proposed constitution and the election to be held Dec. 15 at a meeting of the Teen Age Democrats at Democratic headquarters.

He said all registered voters will receive a copy of the proposal in the mail before the election. A question-and-answer session followed.

At the close of the meeting, conducted by Scott Harrison, club president, members completed a float for a parade during the weekend in which U. S. Rep. Melvin Price and State Rep. Sam Vadalabene participated.

Members also attended a dinner and rally as guests of Pontoon Beach Mayor Tom Staicoff. Club sponsors are Mr. and Mrs. Glenn Romine.

DR. ROLAND WIGGINS

Dr. Wiggins Appointed Health Service Officer

Sight, sound and staff have been the immediate objectives of Dr. Roland L. Wiggins, new health service director at Southern Illinois University Southwestern.

An internal medicine specialist, Dr. Wiggins brings more than 23 years of medical experience to the growing University Health Service.

Dr. Wiggins has instituted several changes in the health service, including changing wall colors to ease analysis of laboratory tests, installing piped-in music to ensure confidentiality of discussions with patients, and the addition of one full-time doctor and a part-time psychiatrist to the staff.

All of these additions, says Dr. Wiggins, "provide for a more professional and comprehensive diagnostic and treatment area." He said even though the primary mission of the health service is first-aid and emergency treatment, "preventative medical programs are not out of the picture."

The health service provides immunization for new students and employees, and is equipped to vaccinate and inoculate large numbers of patients in the event of an impending epidemic. It maintains close contact with local, state and federal health agencies.

Manoogian Honored at Eagle Court of Honor

STANLEY MANOOGIAN

Stanley C. Manoogian, son of Mr. and Mrs. Leo Manoogian, 3233 Fehling road, was honored at an Eagle Scout court of honor Oct. 29 at Central Christian Church.

A Coolidge junior high school student, he is the first member of Central Christian Boy Scout Troop 99 to attain Eagle rank since the troop was organized in 1957.

At the court of honor, his qualifications were presented by David Parrish, who was scoutmaster of Troop 99 when he joined it at the age of 12, becoming a tenderfoot scout in February 1967.

The Eagle challenge was given by Henry Hellrich, advisor to Explorer Post 94, and the Eagle charge was delivered by Theodore Scrum, Uniwah district commissioner. Parrish presented the badge and William Krause welcomed the gathering and introduced guests.

Flag Ceremony

Troop 99 conducted presentation of the colors and prayers were offered by Rev. Khoren Habeshian of St. Gregory's Armenian Apostolic Church.

Manoogian became a cub scout in January 1964, joining Frohardt Parent-Teacher Association Pack 22. His father was his cubmaster for two years, followed by Krause.

His den mothers were Mrs. Mary Tarpoff and Mrs. Marlene Manoogian and his Webelos leader was Alex Tarpoff. He earned wolf, bear and lion rank and a number of arrow points, and received the "arrow of light" award in February 1967.

Senior Patrol Leader

In Troop 99, he advanced to first-class rank in December 1968, star rank in April 1969 and life rank in August 1969. He served as a patrol leader and is now the senior patrol leader.

Manoogian earned the God and Country award a year ago and became a member of the Order of the Arrow brotherhood lodge this fall.

His merit badges include reading, public speaking, architecture, art, lifesaving, swimming, camping, cooking, nature, personal fitness, conservation of natural resources, space exploration, citizenship in the nation, home and community, safety, first-aid, rifle and shotgun shooting, journalism, fishing, athletics and small boat sailing.

Minority Programs Topic of Conference

Miller Boyd, director of the Experiment in Higher Education program in East St. Louis, a unit of Southern Illinois University-Southwestern, will be interviewed at a national conference Friday at the Overseas Press Club in Washington, D. C.

Boyd is a member of the executive committee of the National Association for Minorities Education (NAME), which was formed recently at a conference held on the east campus of the University of Dayton. The conference was sponsored by the College Entrance Examination Board for directors of minority programs throughout the country.

At the press conference, the committee will discuss the findings of the Ohio meeting and outline future plans for minority programs, Boyd said.

St. Teresa Students Named State Scholars

Four area students attending St. Teresa Academy have been designated as state scholars in the 1971-72 competitive state scholarship program by the Illinois State Scholarship Commission.

They are Debra Kelly, 3137 Willow avenue; Diane Kowalczyk, 1622 Seventh street, Madison; Mary K. Lelik, 2284 Gary avenue; and Mary F. Vrabeck, 1848 Edwardsville road, Madison.

Monetary awards up to $1200 for 1971-72 for use toward tuition and mandatory fees at public or private colleges of the student's choice will be conferred on the state scholars who have financial need.

TV Teenager Program Contract to be Renewed

Walt Bowen, mass comm i cations major at South rn Illinois University-Southweste n, has been advised by Ktvi-tv, St. Louis, that his contract r hosting "Speak Out" will be renewed. The new series beg s Dec. 19.

Televised every Saturday at 12:30 p.m., the program is designed to bring viewers a look at today's teenager. The series began March 21. Each week area high schools are represented and young leaders in Illinois and Missouri discuss current topics with a gu at personality.

Collide in Madison

The auto of Mrs. Christine Goud, pulling out of a park lot on the west side of Madi avenue in the 1200 block, collided with an auto driven by Mrs. Nora M. Sturmon, Edison avenue, southbound Madison avenue, according a report to Madison police week.

STATUARY FAMILIAR to thousands of Illinois residents is the Alma Mater group at the University of Illinois, executed by sculptor Lorado Taft a half century ago. The statue dominated one of three campus scenes painted during the summer by Francis Chase, Lockport artist, under commission of the U. of I. Alumni Association which is making full-color prints available to the public. Chase is at work on the painting which includes the Illinois Union in the background.

Educational Program To be Held on Friday

Stefan Krchniak, chairman of the educational administration and supervision faculty at Southern Illinois University-Southwestern, is in charge of a program for superintendents and top school administrators for a 13-county area of southwestern Illinois.

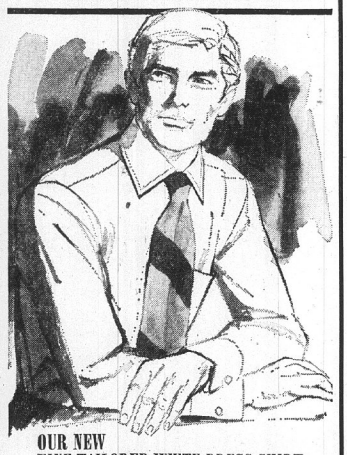

The program, to be held Friday at Augustine's in Belleville, is sponsored by the Illinois Association of School Administrators' Region 5 In-Service Committee, the Southwestern Superintendents Forum, and the SIU-SW educational administration and supervision faculty. The program theme is "Accountability and Performance Contracts in Education."

Weapon Charge Filed

Kit Z. Wood, 62, of 2009 Lee avenue, was arrested at 9:50 p.m. Monday at the Washington tavern, 2001 Washington avenue, on a charge of unlawful use of a weapon, a length of pipe held under his coat which occupants thought was a shotgun barrel, according to police.

DAY CIRCLE HAS LUNCHEON MEETING

The Day Circle of Mt. Zion General Baptist Church met Tuesday at the church, opening with a hymn by the group and prayer by Mrs. Mary Goodall.

Mrs. Ella May Miskelly, program chairman, led the devotional service and Mrs. Vanetta Stavely, a guest from the Evening Circle, presented the program entitled "I've Got My Eyes On Better Things" from the study book.

Mrs. Blanche Martin reported on the General Association meeting held the past week, and Mrs. Opal Penrod, president, conducted the business session during which plans were made to send a Christmas gift to a foreign missionary of the church, Rev. Charles Carr, and his family.

A luncheon was served from tables decorated in keeping with the Thanksgiving season to those mentioned and to Mesdames Minnie Hutchings, Lottie Weir, Edith Etherton, Pearl Parks, Betty Warren, Elaine Unger, Shirley Goodall, Lena Barnett, Flo Monroe and the following guests, Mrs. Bessie Philips, Mrs. Elsie Hickman, Mrs. Lottie Painter, Mrs. Betty Kelsaw, and the church pastor, Rev. Robert Helms.

HOELTERS ATTEND NATIONAL CONFERENCE

Mr. and Mrs. Ray Hoelter have returned from Cincinnati, O., where Mrs. Hoelter, state commander of the Disabled American Veterans Auxiliary, attended the three-day National Conference for the commanders and adjutants of the DAV Auxiliary. While away they were in a group which was given an escorted tour of the DAV National Headquarters at Cold Spring, Ky.

The chief speakers on the program at the conference were John Keller, National Service Director, and Charles Huber, National Legislative Director, both of Washington, D. C.

The DAV is also adopting a HELP, SOS, May Day program and joining with the families of U.S. prisoners of war in writing letters to the North Vietnam Embassy in Paris.

WORLD COMMUNITY DAY planning session. Seated, left to right, are Mrs. Dorothea Rivenburgh, Mrs. Bertha Oliver, chairman, and Mrs. Dolores Boston; Mrs. Boston and Mrs. Rivenburgh are coordinators of special activities. Standing, from the left, are Mesdames Shirley Guest, Gladys Potillo, Joyce Schrader, Mary Ellen Rupp and Wadie Baucum, committee members. Mrs. Potillo is the representative of the host church, Dewey Avenue United Methodist Church for tomorrow's event.

World Community Day Observance Friday at Dewey Avenue Church

Church Women United in the Quad-City area will celebrate World Community Day on Friday at the Dewey Avenue Methodist Church, 2136 Dewey avenue, joining with church women in 2300 other communities across the country.

Mrs. Fred Oliver is local chairman of this year's observance.

The 1970 World Community Day service will highlight International Education Year as designated by the United Nations, the theme of the day being "Use A Key For Tomorrow: Education."

The 10 a.m. observance tomorrow will be preceded by a coffee and fellowship period beginning at 9:30 a.m. Baby sitting service will be provided. Representing the host church in the arrangements is Mrs. R. J. Potillo.

Speaker for this year's observance will be J. Thomas Haefner, remedial reading instructor for Washington school.

Haefner has been instrumental in coordinating the Church Women United "Friends In Learning" project at Washington, a pilot project with volunteer tutors and students on a one-to-one basis. The volunteers come once a week for one hour after school and become a "friend" to a student.

Since 1942, World Community Day has been sponsored by Church Women United to emphasize corporate action for justice and peace.

Church women have always worked together across racial, denominational and economic lines to meet human needs. They believe that "education for all is not only a human right but is necessary for peace in tomorrow's world."

Offerings received on World Community Day will be used to provide scholarships to women seeking journalistic training.

A Kenya Village Polytechnic will impart special job skills to early school leavers. Educational materials for new literates, especially in Latin America, will be distributed.

Women have been sewing in homes and churches on cut-out garments to meet the demands for lightweight children's clothing and for layettes for use in refugee camps. In addition, blankets are collected.

Additional information on the layettes and cut-out garments can be obtained by contacting Mrs. Dale Schanuel, 931-1354.

World Community Day is more than just "one day of special emphasis" for church women. They continue throughout the year to seek justice and freedom for all peoples.

"Education is the key to power, opportunity and justice. It is the agent of freedom in a new decade," a World Day spokesman commented.

In addition to Mrs. Oliver, chairman of the day's observance, Mrs. John Boston and Mrs. Donald Rivenburgh are serving as coordinators of special days of celebrations.

Charles Swick will be organist for World Day. Mrs. Louise Potillo, soloist for the morning, will sing "If I Can Help Somebody."

MR. AND MRS. EDWARD BYRNE JR. Their wedding took place Oct. 30 at St. John United Church of Christ. The bride is the former Deborah Farrance.

Miss Deborah Farrance Weds Edward Byrne Jr.

St. John United Church of Christ was the scene of the wedding Oct. 30 of Miss Deborah Farrance, a daughter of Mr. and Mrs. John Farrance, 1821 Spring avenue, and Edward Byrne jr., whose parents are Mr. and Mrs. Edward Byrne sr., 3213 Aubrey avenue.

The candlelight ceremony was performed at 4:30 in the afternoon by Rev. Paul Surbey before the altar decorated with pink and white 'mums.

The bride wore a street-length pink silk brocade coat and dress ensemble and a short veil held in place with a seed pearl crown. She carried a white Bible topped with lace, miniature white roses and 'mums.

The attendants were Miss Donna Isom and Dennis Wright. The latter wore a short pink Empire style dress and a corsage of pink 'mums and roses.

A reception was held after the ceremony at the home of the bride's uncle and aunt, Mr. and Mrs. Robert Kelly, 2819 Sunset drive.

The bride is in her senior year at the Granite City high school where Mr. Byrne was graduated in 1969. He is now employed at Laclede Steel Co., while awaiting a call to military service.

Rumplestiltskin Set Nov. 14 at GC High

Colorful scenery and attractive costumes will create the appropriate setting for the Masquers' production of "Rumplestiltskin," to be presented by the theatrical group in two matinee performances on Saturday, Nov. 14, in Granite City.

The matinees will be staged at 1:30 and 3:30 p.m. Nov. 14, in the local high school auditorium.

The fairy tale production was successfully introduced to Collinsville youngsters on two consecutive Saturdays in October. The delay in the show's presentation here was due to conflict in bookings at Granite City high school, a Masquers official explained.

Directed by Mrs. Beverly Scroggins of Granite City, "Rumplestiltskin" is the Masquers' initial venture into children's théatre—theatre especially produced to appeal to the young.

To permit as many children as possible to view the show, admission tickets will cost only 50 cents per child or adult, or the entire family may attend for an admission charge of $1, the director said.

Key roles in the fairy tale will be portrayed by Mrs. Suzi Brockus Riddle as Rumplestiltskin and Mrs. Margie Pennell as the young princess. Both are local residents. Tickets may be obtained in advance from any Masquers member or by writing Masquers Inc., Post Office Box 242, Collinsville.

LEADING ROLES in the Masquers' production, "Rumplestiltskin," a delightful fairy tale to be staged here Saturday, Nov. 14, will be portrayed by Mrs. Suzi Brockus Riddle, at left, as Rumplestiltskin and Mrs. Marge Pennell, as the young princess. Both are Granite Cityans. Matinee performances at 1:30 and 3:30 p.m. will be given Nov. 14, in the auditorium of Granite City high school.

Col. Joseph Van Cleve Given Post at AVSCOM

An attorney who has specialized in procurement law has been named deputy commander for acquisition at the Army Aviation Systems Command (AVSCOM) in St. Louis.

He is Col. Joseph C. Van Cleve jr., who has served as command judge advocate (chief legal officer) of the local command since August, 1968. He succeeds Col. Donald H. Jersey in the procurement position. Colonel Jersey is departing for a new assignment.

In his new position, Colonel Van Cleve heads the command's procurement and production activities in providing the Army with its aircraft and repair parts and support equipment. AVSCOM, at the heighth of the Vietnam war, was a $2 billion-plus per year global operation.

A native of Brookline, Mass., Col. Van Cleve attended high school there and Millard Preparatory School, Washington, D. C., prior to entering the U. S. Military Academy at West Point, N. Y. He graduated from the academy in 1945.

Township Officials State Meet to Convene Sunday

A large delegation of Madison county township officials plan to attend the 61st annual convention of the Township Officials of Illinois when it convenes in Peoria, at the Hotel Pere Marquette, Sunday. The convention will continue through Wednesday.

"We anticipate a different atmosphere in our convention this year," Troy A. Kost, executive secretary said. "Normally we hold our convention just before election time, but this year we will be in session one week after the election. Consequently, we will be looking seriously at determined trends and examining and discussing the realities of the political climate rather than the anticipations."

Kost observed that groundwork has been laid which will "probably cause more changes within local government." He referred to the new constitution, the special session of the legislature, and what is expected to be a lively session of the Illinois General Assembly during the first six months of 1971.

Constitutional Stand

Asked if the Illinois Township Officials association would take a stand on the new constitution, Kost said, "You can certainly expect some penetrating discussions and very likely a resolution regarding it. The delegates will vote on the subject at the November 11 session.

Featured speakers at the 1970 Township Officials convention will include Lieutenant Governor Paul Simon, who will appear on Monday, and State Senator W. Russell Arrington, president protem of the Illinois Senate, who will appear on Tuesday. William K. Sanford, executive director of the Association of Towns of the State of New York, and president of the National Association of Towns and Townships, will report on national activity.

The keynote address will be delivered by Attorney Warren C. Behr of Waukegan, Ill., who is president of the Town Clerks division of the state association. A discussion of state legislation will be conducted by State Representative Don A. Moore of Midlothian, Ill., and John J. Nimrod, supervisor of Niles Township, will present a report on the constitutional convention.

Nimrod's report will be followed by a vote by delegates whether or not to approve the township section in the new proposed state constitution.

During the four-day convention, work sessions will be conducted by the six divisions of township officials, including auditors, assessors, road commissioners, supervisors, clerks, and tax collectors. Special sessions will also be held for township attorneys and for township social workers. Leaders of these sessions include Charles Anderson, Morton Grove; Martin C. Melahn, Dundee; Donald Jones, Elwood; Andrew Meyer, Breese; Warren Behr, Waukegan, and Dean Sweet, Springfield.

The steering committee for the convention includes Joe W. Burgett, Vermont, president of the association; Leo A. Haas, Bloomington, first vice-president; Everett E. Sharp, Rockton, second vice-president; William Jacobs, South Holland, convention parliamentarian, and Troy A. Kost, Astoria, secretary.

Scouting Officials to Attend Regional Meet

Area Boy Scout council representatives plan to attend the annual meeting of Region Seven, Boy Scouts of America, in Chicago Friday and Saturday.

Planning to attend from here are G. H. Sternberg, executive committee member; G. Rollin Henn, president of Cahokia Mound Council; Mick Strange, institutional representative; and William Monical, scout executive.

Approximately 600 volunteer scouters from Illinois, Indiana, Wisconsin, Michigan and part of Iowa will attend the meeting.

Ernie Banks, Chicago Cubs, will be a special guest speaker.

Several national Boy Scout figures also will be on the program, including George K. Myers, regional scout executive and Robert L. Calvert, director of planning and communication for the Boy Scouts of America.

Special meeting will be held covering major interest areas within the Boy Scouts of America.

These will include such topics as "Close the Generation Gap" for persons interested in the Explorer program; "Character and Canvas" relating to the camping program; "Our 'Space Ship' is Out of Air," relating to conservation of natural resources, and "Gangs and Guys in the Ghetto," relating to the inner-city youth.

The annual business meeting and election of regional officers will be held Saturday afternoon.

Linguistics, Reading Workshop During Fall

Wilbur R. L. Trimpe, superintendent of the Madison County Educational Service Region, has announced a state-sponsored workshop in linguistics and reading for Madison county at the Mark Twain elementary school, 907 Milton road, Alton. The instructor will be Mrs. Jean Hall.

First session took place last night and two-hour weekly meetings will continue for eight weeks.

The workshop is a part of the Illinois Plan for the Improvement of Instruction in English and Reading. It will utilitze federal funds provided under Title III, National Defense Education Act, and is one of several being offered in the state.

Trimpe notes that "20th Century discoveries in language are offering a fresh and powerful challenge to linguists.

"The three dominant theories of language today are the three grammars most commonly known as traditional, structural and transformational.

"Through this workshop, we can only hope to suggest differences in approaches to this study, with the hope that the classroom teacher will be inspired to further enrichment in the growing field of language."

A certificate from State Superintendent of Public Instruction Ray Page will be presented to each participant who attends regularly.

Wounded GI; USO Gift List Published Today

A Pontoon Beach area Marine, wounded in action in Vietnam in late August and now back on duty in the combat zone, is among the Armed Forces personnel included in today's "Yule Mail Call" list.

Compilation of names and addresses of servicemen and women is continuing, with relatives, friends and other individuals invited to submit the names of local military personnel as quickly as possible to assure delivery of Christmas mail prior to the Yuletide holidays.

Informative tips concerning gift items most requested by servicemen in Vietnam also is contained with today's "Yule Mail Call" listings. The information was provided the Press-Record by Raymond Uram of Granite City, a national director of the United Service Organization (USO), an agency of the Tri-Cities United Fund.

Assigned to a Security Platoon of the Fifth Marine Division's H&S Company is Marine Private Kenneth R. West jr., 21, whose parents, Mr. and Mrs. Kenneth R. West, reside at 4140 Division street.

The Marine was wounded in action about 10 weeks ago after serving in Vietnam less than one month. He sustained fragmentation wounds of the left arm and back and was hospitalized in Vietnam for several weeks.

"Lord Was with Me"

Marine West informed his parents that he incurred the injuries while on patrol with his company. "We were sitting around waiting for time to start back when a grenade landed next to me. The Lord was with me the night I got hit and I am glad I trust and believe in Him," the serviceman wrote in a letter to his parents.

At the time of the patrol incident, Pvt. West had been stationed in the vicinity of Hill 235, since Aug. 3, with the 7th Marines, First Marine Division. He arrived in Vietnam the last week in July.

Marine West attended Granite City high school and was employed at Park 'N Eat restaurant prior to enlisting in the U. S. Marine Corps on Sept. 17, 1969. He was awarded the Purple Heart Medal by Gen. Simons, USMC, while a patient in the military hospital.

The wounded serviceman has a younger brother, Marine Private David B. West, 18, whose address also appears in today's "Yule Mail Call" list.

The younger West son who volunteered for duty with the Corps on Aug. 6 last, presently is undergoing basic training at Camp Pendleton, Calif.

Cookies Taste Good

Mrs. Betty Rowlett, 19 Meadowbrook lane, submitted the name of her son, Marine Lance Corporal L. R. Hughes, also on duty in Vietnam, to the pre-Christmas mailing service.

The mother noted in a letter to the newspaper—"In case any of your readers are wondering what to send the boys in Vietnam, I understand that fudge and peanut butter cookies are two things that taste like they should when received."

For the fifth consecutive year, the USO has completed a survey among military personnel in the Far East in regard to their favorite holiday gift items, Raymond Uram, USO director said.

Gift items suggested from the results of the survey include small notebooks, inflatable pillows, packaged cocoa or fruit drinks, playing cards, shaving equipment, adult games, canned food and nuts, paperback books, sewing kits and blank recording tapes.

Servicemen also have requested crossword puzzle books, first aid kits, soap, deodorant, heavy duty work socks, plastic bags, assorted greeting cards, 9-volt radio batteries, pre-recorded musical tapes, poster landscapes, insect repellent, writing materials, holiday decorations, foot spray, miniature chess and checker sets, candies and small transistor radios.

Servicewomen listed as their 'most wanted" items shampoo, rollers, hair setting lotion, cologne, scented "wash 'n dri's" home permanents, fashion magazines, dry shampoo, lipstick and nail polish.

62 USO Facilities

The USO presently is operating 62 facilities overseas, including many clubs in the Pacific area. Last year hundreds of gifts were distributed to servicemen and women in USO clubs, military hospitals and to isolated units.

Many groups compile gift boxes and mail the packages to overseas USO facilities for distribution to any serviceman at Christmas time.

"We especially encourage donors to direct their gifts to clubs in Vietnam, Thailand and Korea, Uram said. USO staff members currently are planning festivities which will help ease the loneliness and desolation of service personnel, many of whom will be away from home for the first time, the director pointed out.

Those submitting names and addresses of Armed Forces members to "Yule Mail Call" are asked to send in the information by letter or postal card, or bring the written details to the Press-Record office, 1815 Delmar avenue.

To ensure proper delivery, it is important to accurately list the serviceman's name, rank, serial number and full address, including APO and FPO when appropriate. The area of service will be included in parenthesis following the address, if noted by the sender.

Now in the fifth year, the Press-Record's pre-Yuletide public service project has recorded more than 2200 names since the program was conceived.

It is suggested that readers clip-out and retain the lists as they appear, adding the servicemen to their individual Christmas mailing lists.

Greenland Assignment For Michael Birdsong

Air Force Staff Sgt. and Mrs. Michael Birdsong are spending a 30-day leave here with their families prior to the serviceman reporting to an Air Force base in Greenland, where he will be stationed the next 12 months.

Sgt. Birdsong, 26, is the son of Mr. and Mrs. George Birdsong, 2708 Cayuga street. His wife, Linda, is a daughter of Rev. and Mrs. Max Schrieber, 2109 Missouri avenue.

An Air Force career man, Sgt. Birdsong entered the service 8½ years ago. He has served at bases in England and Tripoli and the past 2½ years was assigned to Perrin Air Force Base, Sherman, Tex.

While her husband is overseas, Mrs. Birdsong will remain here with her parents.

Michael Gilleland, 18, Leaves for Navy Duty

Michael Gilleland, 18, son of Mr. and Mrs. Ralph Gilleland, 116 Wilson Park lane, left Monday for orientation and boot training at the U. S. Naval Training Center at San Diego, Calif.

The enlistee is a 1970 graduate of Granite City high school and attended Southern Illinois University - Southwestern campus for a short time before volunteering for Navy duty.

Brick Breaks Window

Alvin Whitecotton, 2529 Center street, reported at 7 p.m. Monday that a brick was thrown through the front window of his 1965 auto while it was parked in front of the home.

Turns Left, Collides

Making a left turn, an auto driven by Anderson Argent, 3606 Ruth drive, collided with an auto driven by Edward Stone, 3428 Lydia lane, at 7:15 a.m. Tuesday at 23rd and State streets.

Shirley Middleton, 35, Dies; Ill 8 Months

Mrs. Shirley Irene Middleton, 35, who had resided in the Pontoon Beach area just a few weeks, died at 10:30 a.m. Monday at Barnes Hospital, St. Louis. She had been ill since March.

Born and reared in the East St. Louis - Washington Park area, Mrs. Middleton also had resided in St. Louis. She and her husband, Ernest, moved from Washington Park to 4052 Gaslight Walk several weeks ago. Mr. Middleton is employed at Phelps-Dodge Aluminum Co. in Madison.

Mrs. Middleton was employed as a compiometer operator at Sherwood Industries, St. Louis. She was a member of the East St. Louis chapter, Order of the Eastern Star.

In addition to her husband, she leaves two sons, Ronnie Lee Middleton, 18, and Guy Earl Middleton, 12; and one brother, Staf Sgt. Mike Smith, U. S. Air Force, stationed in the Philippine Islands.

Funeral arrangements are given in today's obituary column.

October Rainfall 1.32 Inches Below Normal

Rainfall for the month of October in the Quad-Cities was considerably below the average for the month and was only about one-third the amount recorded for September.

October rainfall was 1.54 inches compared with the normal of 2.86 inches for the month in past years. The October fall was 3.29 inches below the total in September of 4.83 inches. Rainfall of 4.83 inches was recorded in October, 1969.

The heaviest rainfall recorded last month was on Oct. 14 when .57 of an inch fell in the Quad-City area. Thirteen days of rain were recorded with 18 dry days during the month.

Sgt. Jerry Bartlett At McConnell AFB

Air Force Sgt. Jerry L. Bartlett, son of Mrs. Betty Guffey, 207 Granville, Venice, has arrived for duty at McConnell AFB, Kan.

Sergeant Bartlett, a fuels specialist, is assigned to a unit of the Tactical Air Command. He previously served at Da Nang AB, Vietnam.

A 1965 graduate of Venice high school, the sergeant attended Southern Illinois University, the University of New Mexico and Eastern New Mexico University.

Calvary Baptist Holds 'Demonstration Day'

Members of Calvary Baptist Church, 3000 Washington avenue, staged a "demonstration" at the church Sunday. The occasion was "Demonstration Day" in which a total of 194 church members gave a tenth of their income to the church to dramatize the "giving power" of the congregation.

A total of $1620 was given in Sunday's special emphasis.

Rev. John Lamb, pastor of the church, pointed out that this level of giving on a consistent basis would result in a total income of more than $84,277 for the church during 1971. The Church recently adopted a budget of $72,179 for the new year.

Demonstration Day was one of the special events in the church's fall stewardship campaign. A Budget Fair will be held Wednesday evening, Nov. 11. On Sunday, Nov. 15, church members will turn in special cards on Dedication Day to the church's financial program during the upcoming year.

Veterans Day Dates From 1954--and 1918

By changing one word in a 28-year-old resolution, the United State Congress in 1954 renamed the day this nation had traditionally set aside for honoring its war veterans.

On June 1, 1954, Congress, acting on a proposal made by Rep. Edwin K. Rees of Kansas, changed Armistice Day to "Veterans Day."

Additional significance was added to Veterans Day in 1958 when two more unidentified American war dead were brought to Arlington Cemetery from overseas and interred beside the world war I soldier. One was killed in world war II, the other in Korea.

To honor the three, symbolic of all Americans who gave their lives, a U. S. Army honor guard — the First Battalion, Third Infantry (Old Guard) — keeps day and night vigil.

The tribute honors the more than a million who have died in all U. S. wars. This includes the 4000 who died during the American Revolution and the more than 43,000 who have died during the Vietnam Conflict.

Armistice Day

Fighting in world war I ended at 11 a.m. on Nov. 11, 1918.

Two years later, France and England chose Nov. 11, then knowng universally as Armistice Day, as the time for placing an unknown soldier of that war in each nation's highest place of honor. France chose the Arch de Triumph. England selected Westminster Abbey.

The following year, on Nov. 11, 1921, an American soldier, whose name was "known only to God," was buried at Arlington National Cemetery.

In 1926, Armistice Day was made the official name for Nov. 11. Twelve years later, in 1938, another Congressional resolution made the date a national holiday.

A Dream Shattered

If the idealistic hope had been realized that world war I was "the war to end all wars," Nov. 11 might still be called Armistice Day.

But less than two years after the holiday was proclaimed, world war II broke out in Europe and shattered the dream.

Sixteen and a half million Americans took part. Four hundred and six thousand died.

The families and friends of these dead longed for a way to honor their memory. The resolution introduced by Cong. Rees provided the answer.

Rededication to Peace

When President Eisenhower signed the bill proclaiming Nov. 11 Veterans Day, he called for Americans everywhere to rededicate themselves to the cause of peace.

He proclaimed the day an occasion for honoring veterans of all wars, a group that numbers more than 38 million, of whom more than 27 million are still alive.

Living veterans and their families, plus the living dependents of deceased veterans, make up about one-half the population of the United States.

Focal point for Veterans Day observances continues to be the Arlington Memorial Amphitheater built around the Tomb of the Unknown Soldier at Arlington National Cemetery.

The site, established in 1864 and now operated by the Department of Defense, lies on property that once belonged to Gen. Robert E. Lee. The late President John F. Kennedy is among the more than 144,000 buried there.

Wreath, Flaming Torches

At 11 a.m. on each Nov. 11, a combined color guard, representing all military services, presents arms at the Tomb of the Unknown Soldier.

The nation's tribute to its war dead is symbolized by the laying of a Presidential wreath. The bugler sounds "Taps."

The balance of the ceremony, which includes a brief address, takes place at the Amphitheater. Six flaming torches are carried down the aisle by military representatives of six embassies and presented to representatives of American veterans organizations as a symbol of veterans of the free world.

Veterans Day ceremonies at Arlington and elsewhere in the nation are coordinated by the President's Veterans Day National Committee. Chaired by the administrator of veterans affairs, the group has an executive committee which includes representatives of 10 national veterans organizations.

The governor of each state appoints a Veterans Day chairman who works in cooperation with the national committee in planning and projecting appropriate ceremonies within his state.

Civil Service Readies Summer Job Listings

The U. S. Civil Service Commission has announced the opening of its annual nationwide competition for summer jobs in Federal agencies in 1971. The filing season closes next February 3.

Jobs will pay from $79 to $112 a week.

Three written tests will be given at locations convenient to applicants. Those whose applications are received by Dec. 4 will be tested January 9; by January 8, on February 13; and by February 3, on March 13.

The written test is not required, however, for college students who will have completed at least two years of college work by next June and have a grade point average of 3.5 or higher on a 4-point scale. Engineering and physical science majors may skip the test if they have a 3.0 average.

The Commission urged interested candidates to apply early, and emphasized that there will be fewer jobs than applicants. Last summer only about 19,000 jobs were filled from a list of about 150,000 eligibles.

About 3,000 students were selected for jobs related to their college studies. Eleven thousand office jobs and 5,000 postal clerk and city carrier jobs were also filled.

Persons who qualified for the 1970 list do not need to refile. They will be sent a form by Nov. 1 which they may fill out to show whether they want to be on the 1971 list.

Complete details and instructions for filing are given in Announcement No. 414, "Summer Jobs in Federal Agencies." This may be obtained from the U. S. Civil Service Commission Federal Job Information Centers in major metropolitan areas, at college placement offices, from high school counselors, and at major post offices.

Two Assigned to Basic Training at Fort Knox

Two Granite City men have been assigned to the United States Army Training Center, Armor, (USATCA) at Fort Knox, Ky.

Private Larry A. Calvo, the husband of Mrs. Sharon Ann Calvo, 3001 Maryville road, and Private William W. Schooley, the son of Mr. and Mrs. William Schooley, 4748 Vincent street, were assigned to company A, 17th battalion, fifth brigade, where they will spend the next two months learning the fundamental skills of firing live ammunition under simulated combat conditions, learning protective measures and first aid for chemical, biological and radiogical attacks.

Following the completion of basic training, they will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify them in specialized military skills.

Vocal Students Sponsor Spaghetti Dinner Today

The Granite City high school vocal music department will sponsor its tenth annual "Spaghetti Dinner" from 5:15 to 8 p.m. today in the high school cafeteria.

The public is invited to attend the benefit affair which will feature "good food and an evening of musical entertainment provided by the students," according to Raymond Voorhees, vocal music director.

Tickets are priced at $1.50 for adults and 75 cents for children. Carryout orders will be available to patrons bringing their own containers and boxes, Voorhees said.

The Sunoco Eight are here.

Eight grades of gasoline.
The old two-grade system can't make all cars run their best without wasting octane. Just look at the choice you have in cars and engines today. Sunoco delivers eight grades of gasoline so you don't waste octane or your money.

One pump delivers all eight.

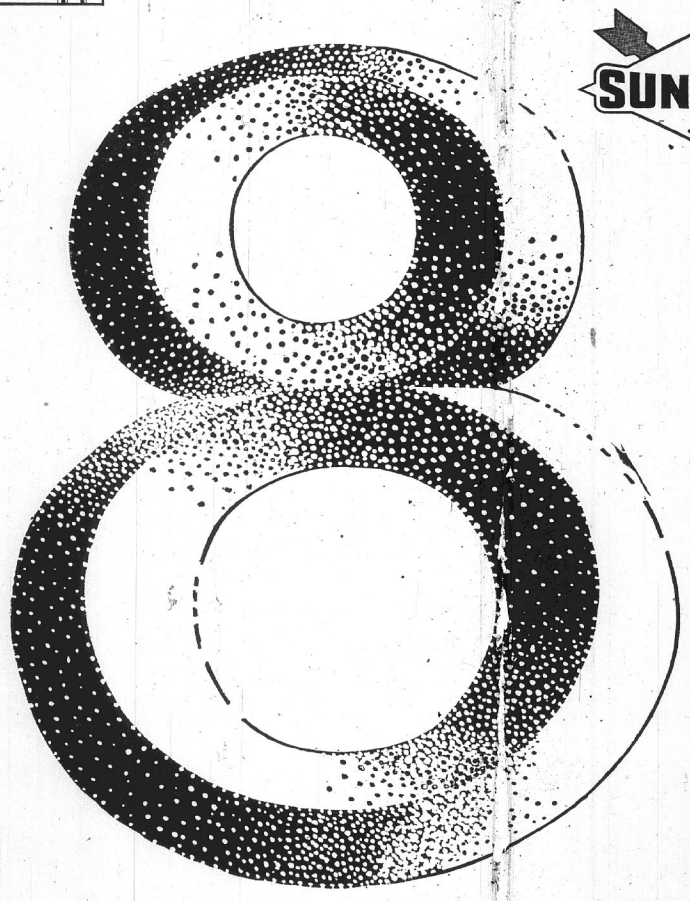

With computer precision, Sunoco's Custom-Blending pump meters out economy grade 190 and highest octane Sunoco 260 from two underground tanks. The pump will deliver either of these two grades, or it will blend them to make six other grades.

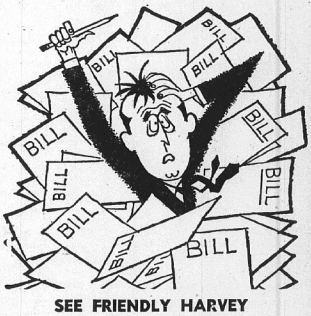

The highest octane gasoline at any station.
That's Sunoco 260. It's made for car owners who want the ultimate in octane and performance, and it's blended into every other Sunoco grade from 200 up, to give everyone the octane their cars can use.

One grade is right for your car.
It's shown on a chart at each Sunoco station. Your dealer will help you select it, and then he'll turn a dial on the pump to the grade you've selected. The pump will fill your tank with the correct gasoline, and it will match the price to the grade.

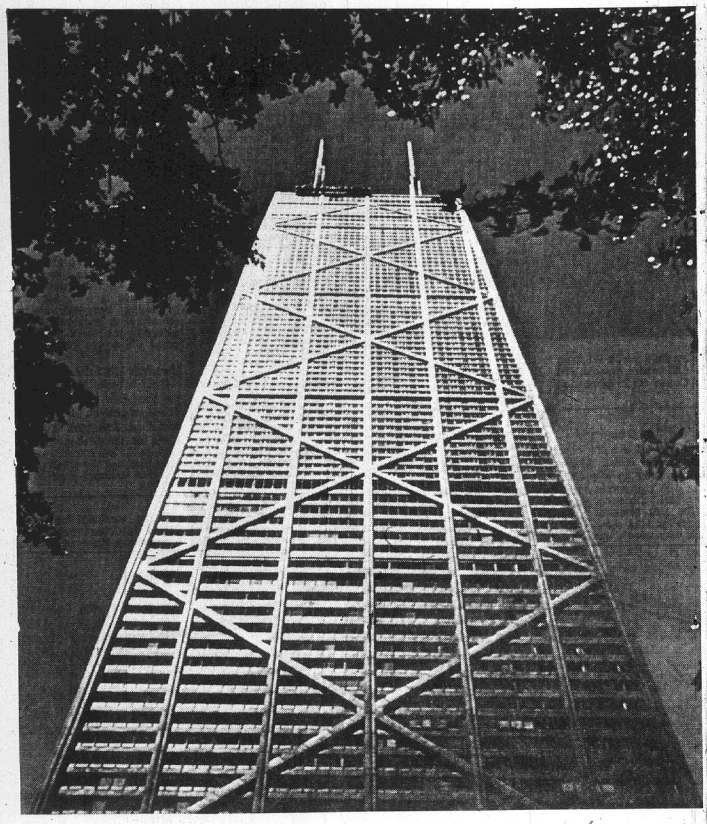

Sunoco is now in Granite City.
Drive in today. Meet the Sunoco Eight and apply for your Sunoco credit card. Your neighborhood Sunoco dealer is a good place to get complete car care service, besides being the best place to buy gasoline.

Recruiter Announces Radar School Openings

Sgt. R. B. Mabry, local Army recruiter, announced today that openings are now available for the U.S. Army Combat Surveillance and Electronic Warfare School at Fort Huachuca, Ariz.

The course, six weeks and four days long, teaches students the operation of various types of radar and gives instruction in the use of equipment service manuals. At the conclusion, a field exercise and final examination is given. Eight weeks of basic training are required before attending the school.

Required skills include basic knowledge of mathematics, fundamentals of combat intelligence, artillery fire and observer procedures. Crewmen must also be able to operate ground surveillance radars and associated equipment and to locate and identify moving targets by type through normal interference and jamming.

Details on the school are available between 8 a.m. and 5 p.m. Monday through Friday, and 8 a.m. to noon on Saturdays at Sgt. Mabry's office, 106 Niedringhaus avenue.

Conduct Charge Filed

Melvin G. Moore, 41, of Edwardsville, was arrested at 11:20 p.m. Monday in the 2400 block of East 24th street on a disorderly conduct complaint signed by Lois Moore. He was released on $100 cash bail pending a hearing.

Chemistry, Biology Basis Of Pollution Control

Water pollution used to be like the weather. Everybody talked about it, but nobody did anything about it.

That's all changing now. And one man involved in changing it is Dan Cote, assistant professor at Southern Illinois University's Vocational - Technical Institute at Carbondale.

Cote has been instrumental in developing a water resources program at VTI over the past three years. The eight-quarter program consists of specialized technical courses in water pollution, cooperative work experience, and basic science and math courses — all emphasizing chemistry and biology.

"In water pollution you have the reaction of chemical and biological elements with water—combining in all the wrong ways," Cote said. "This is why we stress the chemistry and biology of water pollution in the course work."

A graduate of North Carolina State University, Cote received his M.S. in sanitation engineering. He came to SIU in 1967 to develop a water pollution control program ranging from adult education workshops and institutes through the two-year associate degree in technology.

Professional Atmosphere

Cote defines his program as "broadly based" with a strong faculty and sophisticated laboratory equipment to provide students with a professional atmosphere in which research analysis and investigation can be done.

At the same time he plans to offer specific courses in plant maintenance and operation to train and retrain sewage treatment plant operators and public water supply workers already in the field.

"We should have junior college faculties look over our program in order to develop teaching methods for water resources curricula of their own," Cote said.

With a projected full time faculty of eight or nine, Cote feels a student enrollment of 120 to 150 "not unreasonable and quite practicable."

"This is our cookbook," Cote said with textbook in hand. "It contains many standard testing procedures for determining the chemical composition of water.

"By graduation, our students should be able to take a pollution problem, analyze it and offer possible solution techniques.

"If the answer isn't there (the textbook) I want my graduates to have the moxie to find it in chemical abstracts," Cote said.

Trimpe Delegate To White House Child Conference

Wilbur R. L. Trimpe has been named as a delegate to the White House Conference on Children Dec. 13-18 in Washington, D. C., by Cong. Melvin Price.

Every congressman is entitled to one delegate and Price has nominated the Madison county superintendent of educational service as the delegate from his district.

The White House Conference on Children and Youth began in 1909 at the call of President Theodore Roosevelt. The result of that conference was the creation of a Children's Bureau and a national voluntary organization known as the Child Welfare League of America. Due to this conference, a few years later the mothers' pension movement began; it was the precursor of Aid to Dependent Children.

The 1919 Conference resulted in child labor standards and federal and state child labor legislation.

The 1930 White House Conference developed the Children's Charter and gave impetus to organizations of citizens, such as parent-teacher organizations and women's clubs, to aid in the advancement of the field of pediatrics and pediatric education.

The 1940 Conference, called by President Franklin D. Roosevelt, had 98 recommendations, many of which were implemented; the greatest was that of the National Citizens' Committee to make a study of the needs of children and help in follow-up work in the states.

In 1950, the Conference made 68 recommendations providing for protective services and wholesome opportunities for the full development and growth of children.

The 1960 Conference, to which Supt. Trimpe was a delegate, appointed by the governor of Illinois, assisted in the revision of the Juvenile Court Act, promoted and developed the mandatory program for special education, and promoted and insisted upon counseling services in schools, as well as an expanded curriculum in vocational and career programs.

Amsted Sales Up 5% In Year Ended Sept. 30

Amsted Industries' sales were a record $274,000,000 in the year ended Sept. 30, 1970, an increase of 5% from 1969. Net income was $8,100,000, or $2.92 per share, compared to $10,026,000, or $3.62 per share, a year ago. Amsted includes American Steel Foundries of Granite City.

Amsted's net income would have exceeded 1969 had it not been for sharp increases in the price of metal scrap, a major raw material used in the company's foundry plants. Joseph B. Lanterman, chairman, and Goff Smith, president, said these higher scrap costs were equivalent to 88 cents per share when compared to the prior year.

In a joint statement, the executives said that, "Earnings were also adversely affected by higher interest expense, the truck strike, and start-up and other non-recurring costs at the new plant near Philadelphia to pre-coat metal and at the Florence, N. J., plant in connection with the installation of the new cupola." They added that, "The impact of these unfavorable factors was partially offset by increased selling prices for certain product lines."

Autos Turn, Collide

As they made left turns, autos driven by Georgia Hanner, 1745a State street, and Charles D. Brooks, 2145 Willow avenue, collided at 1:25 p.m. Monday at 18th street and Madison avenue.

Quarter-Mile-High Building Highlights Chicago Skyline

One of the things that makes a vacation in Chicago special is the vast number of different things to see and enjoy.

The city's attractions range from a giant 100-story building to mid-America's largest zoo, or fine live theater, or a tour of Old Town, the quaint and exciting bohemian quarter.

No visitor to the city should skip a tour of the John Hancock Center, or "Big John," as it is effectionately called by Chicagoans.

This is the world's tallest office-residential building. The building stretches 1456 feet to the top of its television antennas—more than a quarter of a mile.

The observation deck is located on the 94th floor, and the view is awe inspiring. Floors 95 and 96 are a gourmet restaurant with a view of four states.

The parking garage holds more than 1400 cars, and the swimming pool on the 44th floor is the highest above-ground pool in the world.

The observatory is open from 9 a.m. to midnight every day of the year.

Museum Capital

If you like museums, you'll love Chicago. The Windy City has long been called the museum capital of America, and the outstanding lineup of magnificent museums continues to attract hundreds of thousands of visitors to the state.

As a matter of fact, museums are said to be Chicago's number one tourist attraction.

Adler Planetarium was long famous for having the first machine in America which reproduced the appearanee of the celestial bodies.

Today, it has the world's most modern planetarium projector. Built in West Germany at a cost of $240,000, the new projector can recreate the night sky as it appeared on any date in history or as it will appear for many thousands of years in the future—not only as specks of light, but in their natural colors.

Sky Theatre

Public shows in the auditorium, fitted with new seats which tilt to ease the strain on viewers' necks, are held daily.

Admission to the Planetarium is free; tickets to the Sky Theatre are 75 cents for adults and 35 cents for children.

Next on Chicago's list of great museums is the world-renowned Art Institute.

This museum, located downtown at Michigan avenue at Adams street, is said to have a collection of Impressionist and Post-Impressionist paintings finer than the Louvre in Paris.

But it is the museum's dept which makes it outstanding.

Science and Industry

The world famous Museum of Science and Industry is the city's show-off attraction. Almost 3½ million visitors stream through her doors each year.

This is a living and ever-changing place — a museum which is as much fun for oldsters as for the young.

The idea here is not to merely store a slice of our history . . . but to make learning fun . . . and to worry as much about tomorrow as yesterday.

The museum is located at 55th street and the lakefront, and is open every day, but Christmas.

Oriental Institute

While in the neighborhood, take the time to visit the interesting University of Chicago campus, which is the home of the Oriental Institute.

This is likely the world's outstanding museum devoted to the Far East.

The Field Museum of Natural History, on the lakefront at Roosevelt road, has been called one of the three finest such museums in the world.

The American Indian collections are close to being the finest in the country, as are those of plants, jade, gems or dinosaur bones.

In short, the museum is rather special. You can obtain maps and information on special exhibits at the door.

Unfortunately, you cannot see all of this fascinating place in a day. Not even if you try. You should plan on spending most of the day here, and then arrange another tour on your next visit to Chicago.

There are many places to view a movie or sit down while watching a demonstration so mom and dad can relax while learning.

National 'Y' Director to Retire; Seek Successor

James F. Bunting will retire as executive director of the National Council of Young Men's Christian Associations on Feb. 28, 1971. On stepping down as staff chief executive of the 126-year-old youth organization, Bunting closes out a YMCA career spanning 44 years.

Word of Mr. Bunting's retirement was received here today by Irvin C. Slate jr., president of the Tri-City Area YMCA board of directors.

"Mandatory retirement age is 65. Mr. Bunting won't reach that age until August 1971 and he would have the option of a six months extension beyond that," Slate explained. "He chose instead to take early retirement."

Mr. Bunting came to the National Council post in February 1964, a time when the YMCA stood at the threshold of significant change in structure and direction, Slate said. During his tenure as executive director of the largest youth organization in the free world, a far-reaching reorganization of the YMCA was conceived and implemented. Structurally, the YMCA was reshaped into eight regions, replacing the former setup of 17 area and state units. At present, two state units, Maine and New Hampshire, remain. The Tri-City Area YMCA is part of Region I along with being a member of the St. Louis Cluster.

Revamped Staffs

Accompanying those changes was a major revamping of national headquarters and field staffs into a single, unified general agency unit. A system of specialists and consultants in fields of YMCA concern was established. The specialists are based in the various regions, making them readily available to the 1800 local YMCAs in the United States.

Other purposes of the reorganization were to bring into closer relationship volunteer laymen and staff, to increase the leadership role of laymen and to forego closer bonds between the National Council and local YMCAs.

Mr. Bunting also felt that if the YMCA was to retain its preeminent position as one of the nation's leading service organizations it must confront squarely social problems that were besetting the country, Slate said. In 1967 the National Council formalized its state policy of racial equality by adopting an amendment to its Constitution requiring all YMCAs to desegregate buildings, facilities, staff, boards and committees.

At the same time it moved deliberately to involve greater numbers of minorities, women and youth in every aspect of YMCA activity. One result was the election in 1970 of the National Council's first black president, Donald M. Payne of Newark, N. J.

Another significant change has been in the makeup of YMCA membership. New social and population patterns, particularly the tremendous growth of the suburbs, have demanded new service patterns by the YMCA. New YMCAs continue to spring up in suburbs and the emphasis in those has been on programming and servicing the entire family. The Family YMCA is one of the most rapidly growing concepts.

Expanded Programs

The Tri-City Area "Y" provided numerous programs where something is available for everybody. Fitness classes and swimming instruction are available for the women; health club, work-out room, swimming instruction, basketball, etc. are available for men; mother-infant swim for young children; mother-tot swim for the 3-5 year old; swimming, judo, gymnastics, soccer and others are available for youth; and swimming, judo, gym, dances and clubs are on-going programs for teenagers.

At the same time, there has been a tremendous increase in programs and service by YMCAs to non-members. This has taken place almost entirely among disadvantaged and inner-city residents, particularly through such programs as Outreach Centers, Job Training Centers and street workers. It is estimated that YMCAs are now serving non-members equal to 35% of total membership.

The local "Y" continues to sponsor a yearly basketball program for the youngsters in Madison and Venice. There are also numerous non-member groups that use the "Y" facilities throughout the year.

Special Committee

The search for a new executive director is being carried out by a national board special nominating committee. Chaired by William P. Epke, youthful insurance executive of New York, it includes John D. Buckner, St. Louis; John Burrows, Davenport, Iowa; George E. Gullen, jr., Detroit; Robert W. Harlan, Los Angeles; Mrs. Kenneth Hodgson, Glenn Falls, N. Y.; Robert J. Lentz, Bloomington, Ill.; Stuart B. Macdonald, New York; W. M. McFeely, Piscataway, N. J.; Jack D. McGill, Birmingham, Ala.; Donald M. Payne, Newark, N. J.; Gordon Peterson, Rockwall, Texas; and Mrs. Donald L. Smith, Eugene, Ore.

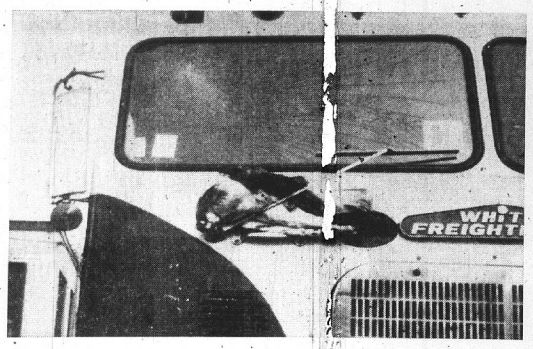

Under Mr. Bunting's leadership special emphasis and top priority were given to YMCA work in urban problems. This has been reflected in urban programs in some 150 YMCAs to date. These range from remedial tutoring to street worker programs and include job training and placement, environmental protection and drug abuse programs.

With many of the changes accomplished or well under way, Mr. Bunting felt that National Council leadership should be transferred to a new executive director who will be on the scene as the decade unrolls. "We are nearing," he said, "a point in our continuing process of organization self-renewal where executive decisions should be made by an administrator whose tenure will be longer than the maximum time left to me in the position."

Mr. Bunting came to the National Council post with a background of 37 years experience in local Associations, beginning in Rochester, N. Y., in 1927. He progressed through other positions and Associations, serving eventually as general secretary in Schenectaday, N. Y., Newark, N. J., and Washington, D. C., before being named to the National Council post in Feb. 1964.

In the ensuing years the YMCA nationally witnessed a steady growth in every respect. One statistic of note is the increase in YMCA membership; it climbed from 4,310,428 in 1963 to nearly 6,000,000 at present. Mr. Bunting was born in Little Falls, N. Y., in 1906. Following early schooling there and in Ilion, N. Y., he earned his B.A. degree at Syracuse University in 1927.

In 1943 he completed work for his M.A. degree at Yale and in 1963 was awarded an honorary Doctor of Humane Letters from Geo. Williams College. Syracuse University in 1966 awarded him its Arents Pioneer Medal for Distinguished service in social services.

Montessori Society Open Meeting Set

An open meeting is planned by the Edwardsville Montessori Society Wednesday at 8 p.m. in the Faculty Center at SIU-SW. The topic, "What Montessori Is and Isn't" will be discussed by Mrs. Joseph Trochta, O'Fallon.

Mrs. Trochta was awarded the Association Montessori International primary diploma with distinction in 1967, and is second vice president of the North American Montessori Teachers' Association. She is currently part-time advisor and substitute directress at the Florissant Montessori Academy, Florissan, Mo., and acts as advisor to the Edwardsville Society.

Also participating in the discussion will be Mrs. Gerald McGivern of Edwardsville, the Society's group study leader. Mrs. McGivern recently completed a training session at the Midwest Montessori Teacher Training Center, Chicago, and is doing her internship at the Linda Vista Montessori School in Chesterfield, Mo.

The Edwardsville Montessori Society hopes to establish a Montessori pre-school in the Edwardsville area, and is currently studying the methods of Maria Montessori and their highly successful application in educating young children.

Membership in the Edwardsville Society is $15, and includes membership and publications from the American Montessori Society. Further information may be obtained from Mrs. Gerald McGivern, 656-3320, or by attending the open meeting.

150 View Royal Arch Initiation Ceremony

More than 150 persons attended initiation ceremonies for 27 candidates into the Royal Arch Widow's Degree, conducted last weekend at the Masonic Temple under the auspices of Granite City Chapter 221, Royal Arch Masons.

Excellent High Priest E. Gene Ross officated with the degree team composed of nine members from the sponsoring organization.

Known as a "fun degree," the last occasion when Royal Arch Widow's Degrees were presented was in 1967, according to Walter Bergfield, chapter secretary. A spaghetti supper served by the men's group preceded the degree conferral.

Vandals Hit School

Willow Walk Cats Win At Springfield Show

Four cats representing the Willow Walk Cattery, 148 Central lane, Mitchell, captured top honors in a "four-ring" cat show held Saturday and Sunday in Springfield, Ill.

The animals were exhibited by their respective owners, Mrs. David Taylor, owner of the local cattery and Mrs. John Pulliam of Mitchell who assists in operating the facility.

Champion Beguty of Willow Walk, a blue smoke Persian female belonging to Mrs. Pulliam, placed first in "Best of Color" and "Best Champion" in her class. The cat was acclaimed "Best Blue Smoke Persian" in the midwestern states last show season.

Willow Walk Scan, a cameo Persian male, owned by Mrs. Taylor, won top ribbons in three of four shows. Another animal belonging to Mrs. Taylor, Willow Walk Mavouneen, a cream Persian female, placed second in each of the four matches, as did a cameo Persian female, Willow Walk Kathy, owned by Mrs. Pulliam.

Four judges from different areas supervised and evaluated the animals in the Springfield show.

September Steel Imports Rise, Exports Drop

Foreign steelmakers shipped more of their steel into the U. S. —and U. S. producers exported less of their own steel abroad— during September than in any other month so far this year.

According to the American Iron and Steel Institute, September steel mill product imports hit a 1970 high of 1,277,000 tons. At the same time, U. S. exports of these products— which have steadily dropped since their peak in May—declined to 398,000 tons. This was 169,000 tons less than August exports, and 519,000 tons below May's total.

During the first nine months of this year, foreign producers sent 8,969,000 tons of steel mill products into the United States, with a duty value of $1,345,000,000. By contrast, steel mill product exports of 6,019,000 tons were vaued at $842,000,000.

The largest single import product during September was cold rolled sheet, nearly 281,000 tons entering the country. Three mill products—cold rolled sheet, hot rolled sheets and pipe—accounted for about half of September's import total.

The more expensive types of steel mill product—stainless, alloy and tool steels—accounted for three percent of the month's import tonnage, but fully one tenth of September's total import value. For the year, these specialty steels have contributed 15 percent to the total worth of steel imports—despite the fact that they make up only about five percent of overall tonnage.

Urban League Beginning Its 1970-71 Membership Drive

The Urban League of Madison-St. Clair counties has initiated its membership campaign for 1970-71. It began its operations in January 1970, and is a charitable and educational organization.

The League operates as a community service agency, using the tools and methods of social work to secure equal opportunity for minorities. It is a non-profit, non-partisan organization.

The Urban League theme will be coordination and cooperation, serving as a vehicle to unite people and organizations in order to promote the welfare of all residents of the two counties.

Membership provides an opportunity to be a part of the planning and decision-making of the agency. "This will be the people's organization through its membership," a spokesman commented.

"Volunteers are needed to work in many areas with the membership drive.

"Membership in the Urban League signifies two things. First, that you believe in the cause of equal rights for all individuals regardless of race or color. Second, that you endorse the League's efforts to achieve this end through providing opportunities in the field of employment, training, housing and education. As a member you will receive a monthly newsletter, and have a right to bring any given issue to the League for action.

Following is a partial list of people comprising the League's membership campaign committee: Harry Lee Redmon, (chairman) East St. Louis, Mrs. David Braswell, Belleville, Jesse Cannon, Alton, Dr. Ruth Richardson, Edwardsville, Rev. W. P. Alexander, East St. Louis, Dr. Boyd Mitchell, Alton, Rev. C. Cedric Claiborne, East St. Louis, Mrs. Ruby Williams, Madison, and Loretta Boyd, East St. Louis.

Membership will be taken at the Urban League office, located in the Murphy Building, 234 Collinsville avenue, Suite 328, and the Tim Bennett Standard service station, 198 Madison avenue, Madison. All contributions are tax deductible.

Mrs. Irene Noran, 63, Former Resident, Dies

Mrs. Irene Eiler Noran, 63, of Carnarillo, Calif., a former resident of Granite City, died Wednesday morning of a heart condition at a hospital in Carnarillo.

The daughter of the late Mr. and Mrs. Charles Cool, she was born in Granite City and lived here for 33 years.

She is survived by her husband, Adolph Noran; one son, James Eiler of New York; two foster sisters, Mrs. Pauline Gushleff of Madison and Mrs. Marian Barnes of Phoenix, Ariz., and a cousin, Mrs. Ruth Chuse of East St. Louis.

Funeral arrangements are incomplete.

Mrs. Alena Grote, 52, Dies; Here 27 Years

Mrs. Allena Grote, 52, of 2420 Illinois avenue, died at 7:15 a.m. Tuesday at Firmin-Desloge Hospital, St. Louis, where she had been a patient three days after suffering a cerebral hemorrhage at home. An autopsy is being conducted to determine the cause of death.

Mrs. Grote was born in Rice, Ill., and lived here 27 years. She was a member of the Second Baptist Church.

She is survived by her husband, Lester E. Grote; two sons, Norman and Edward Grote of Granite City; one daughter, Mrs. Barbara Carter of St. Louis; four brothers, Pete and Donald Hutchings of Granite City, Bill Hutchings of Pinckneyville, and Nelson Hutchings of Nashville; three sisters, Mrs. Wanda Silbe and Mrs. Jessie Campbell of Pinckneyville and Mrs. Annabelle Gruber of Murphysboro, and three grandchildren.

Funeral arrangements are given in today's obituary column.

Cub Scout Roundtable To Feature Yule Theme

"Happy, Game and Fair" will be the theme of the November Cub Scout "Roundtable," set for 7:30 p.m. Tuesday at Parkview elementary school.

Cubmasters, den mothers and pack committee members from all Cub Scout packs in the Quad-City area are urged to attend the bi-monthly meeting, which this month will focus on a Christmas theme, acording to Ron Luebben, Roundtable commissioner.

Current plans call for handicraft projects to be brought to the session along with handmade ornaments to decorate a Christmas tree. Other seasonal decorations will be created during the session, Luebben advised, and participants will discuss plans for the annual "Goodwill" project, the commissioner said.

Czech Film Planned For Campus on Nov. 11

A Czech film, "Death of the Ape Man," will be shown at 12:30 p.m. and 7:30 p.m. Nov. 11 at Southern Illinois University-Southwestern.

The film is the second in the Slavic and East European Film Festival series. It can be seen in the University Center, Mississippi-Illinois room, and there is no admission cost.

Made in 1962, the film runs 72 minutes and is in Czech with English sub titles. It is a satire of the Tarzan legend.

Political Gifts Not Deductible

(Internal Revenue Service)

Q) Can I deduct the contribution I made to one of the candidates running for office here?

A) No, candidates to political candidates and campaigns are not deductible.

Q) As part of my job I work at home a lot and have a little office for myself. How do I handle my deduction for this?

A) To qualify for a deduction, you must show you are required to provide your own space and facilities as a condition of your employment and you use it regularly for business purposes.

You must also show the portion of your home used for this purpose and the time it is so used.

For example, if the office space accounts for 10% of the space in your home, you may take 10% of such items as rent, depreciation, heat, light, insurance, real estate taxes and mortgage interes

If you use the office portion only half the time for business purposes, then you may deduct only 5% of the expenses as a business deduction.

Slower Rate of Rise in Soaring School Costs Hinges on Efficiency

By ROBERT M. BECKWITH, Manager
Illinois Chamber of Commerce Education Department
(Eleventh of a series)

VALLEY VIEW 45-15 CONTINUOUS SCHOOL YEAR PLAN, Romeoville, Ill.:

DOES A YEAR-ROUND PLAN LOWER SCHOOL TAXES?

Here is a question for real argument and one most often used to build support for or against year-round operation.

Valley View has been straightforward with its citizens, pointing out school taxes will probably not be lowered due to present inflationary conditions.

Rather, a slower rate of tax increase will allow the district to maintain and perhaps improve the quality of the present program, since the money will be spent more efficiently.

In all probability, it will take several years for any real economies of a year-round operation to be realized.

The most immediate effect is to gain one additional classroom for every three now in existence.

Not only are construction costs saved, but also the cost of debt service, additional building operation and maintenance, depreciation, etc.

Other economies or efficiencies of operations readily can be realized by reflecting on preceding aspects presented about the Valley View 45-15 Continuous School Year Plan.

With present inflation, school costs throughout the nation will increase; buth with the efficient utilization of personnel and equipment, the rate of increase can be reduced.

New Illinois Constitution Would Create Position of Comptroller

(1970 Illinois Constitutional Convention)

(ARTICLE V (continued). THE EXECUTIVE

SECTION 14. LIEUTENANT GOVERNOR—DUTIES

The Lieutenant Governor shall perform the duties and exercise the powers in the Executive Branch that may be delegated to him by the Governor and that may be prescribed by law.

SECTION 15. ATTORNEY GENERAL—DUTIES

The Attorney General shall be the legal officer of the State, and shall have the duties and powers that may be prescribed by law.

SECTION 16. SECRETARY OF STATE—DUTIES

The Secretary of State shall maintain the official records of the acts of the General Assembly and such official records of the Executive Branch as provided by law. Such official records shall be available for inspection by the public. He shall keep the Great Seal of the State of Illinois and perform other duties that may be prescribed by law.

SECTION 17. COMPTROLLER—DUTIES

The Comptroller, in accordance with law, shall maintain the state's central fiscal accounts, and order payments into and out of the funds held by the Treasurer.

SECTION 18. TREASURER—DUTIES

The Treasurer, in accordance with law, shall be responsible for the safekeeping and investment of monies and securities deposited with him, and for their disbursement upon order of the Comptroller.

SECTION 19. RECORDS — REPORTS

All officers of the Executive branch shall keep accounts and shall make such reports as may be required by law. They shall provide the Governor with information relating to their respective offices, either in writing under oath, or otherwise, as the Governor may require.

SECTION 20. BOND

Civil officers of the Executive Branch may be required by law to give reasonable bond or other security for the faithful performance of their duties. If any officer is in default of such a requirement, his office shall be deemed vacant.

SECTION 21. COMPENSATION

Officers of the Executive Branch shall be paid salaries established by law and shall receive no other compensation for their services. Changes in the salaries of these officers elected or appointed for stated terms shall not take effect during the stated terms.

ARTICLE VI. THE JUDICIARY

SECTION 1. COURTS

The judicial power is vested in a Supreme Court, an Appellate Court and Circuit Courts.

SECTION 2. JUDICIAL DISTRICTS

The State is divided into Judicial Districts for the selection of Supreme and Appellate Court Judges.

The First Judicial District consists of Cook County.

The remainder of the State shall be divided by law into four Judicial Districts of substantially equal population, each of which shall be compact and composed of contiguous counties.

SECTION 3. SUPREME COURT—ORGANIZATION

The Supreme Court shall consist of seven Judges. Three shall be elected from the First Judicial District and one from each of the other Judicial Districts.

Four Judges constitute a quorum and the concurrence of four is necessary for a decision. Supreme Court Judges shall select a Chief Justice from their number to serve for a term of three years.

SECTION 4. SUPREME COURT—JURISDICTION

(a) The Supreme Court may exercise original jurisdiction in cases relating to revenue, mandamus, prohibition or habeas corpus and as may be necessary to the complete determination of any case on review.

(b) Appeals from judgments of Circuit Courts imposing a sentence of death shall be directly to the Supreme Court as a matter of right. The Supreme Court shall provide by rule of direct appeal in other cases.

(c) Appeals from the Appellate Court to the Supreme Court are a matter of right if a question under the Constitution of the United States or of this state arises for the first time in and as a result of the action of the Appellate Court—or if a division of the Appelate Court certifies that a case decided by it involves a question of such importance that the case should be decided by the Supreme Court.

The Supreme Court may provide by rule for appeals from the Appellate Court in other cases.

SECTION 5 APPELLATE COURT—ORGANIZATION

The number of Appellate Judges to be selected from each Judicial District shall be provided by law.

The Supreme Court shall prescribe by rule the number of Appellate divisions each Judicial District. Each Appelate division shall have at least three Judges.

Assignments to divisions shall be made by the Supreme Court. A majority of a division constitutes a quorum and the concurrence of a majority of the division is necessary for a decision.

There shall be at least one division in each Judicial District and each division shall sit at times and places prescribed by rules of the Supreme Court.

SECTION 6. APPELLATE COURT—JURISDICTION

Appeals from final judgments of a Circuit Court are a matter of right to the Appellate Court in the Judicial District in which the Circuit Court is located—except in cases appealable directly to the Supreme Court and except that after a trial on the merits in a criminal case, there shall be no appeal from a judgment of acquittal.

The Supreme Court may provide by rule for appeals to the Appellate Court from other than final judgments of Circuit Courts.

The Appellate Court may exercise original jurisdiction when necessary to the complete determination of any case on review. The Appellate Court shall have such powers of direct review of administrative action as provided by law.

SECTION 7. JUDICIAL CIRCUITS

(a) The State shall be divided into Judicial Circuits consisting of one or more counties.

The First Judicial District shall constitute a Judicial Circuit. The Judicial Circuits within the other Judicial Districts shall be as provided by law.

Circuits composed of more than one county shall be compact and of contiguous counties. The General Assembly by law may provide for the division of a circuit for the purpose of selection of Circuit Judges and for the selection of Circuit Judges from the circuit at large.

(b) Each Judicial Circuit shall have one Circuit Court with such number of Circuit Judges as provided by law. Unless otherwise provided by law, there shall be at least one Circuit Judge from each county.

In the First Judicial District, unless otherwise provided by law, Cook county, Chicago, and the area outside Chicago shall be separate units for the selection of Circuit Judges, with at least 12 chosen at large from the area outside Chicago and at least 36 chosen at large from Chicago.

(c) Circuit Judges in each circuit shall select by secret ballot a Chief Judge from their number to serve at their pleasure.

Subject to the authority of the Supreme Court, the Chief Judge shall have general administrative authority over his court, including authority to provide for divisions, general or specialized, and for appropriate times and places of holding court.

SECTION 8. ASSOCIATE JUDGES

Each Circuit Court shall have such number of Associate Judges as provided by law. Associate Judges shall be appointed by the Circuit Judges in each circuit as the Supreme Court shall provide by rule.

In the First Judicial District, unless otherwise provided by law, at least one-fourth of the Associate Judges shall be appointed from, and reside, outside Chicago.

The Supreme Court shall provide by rule for matters to be assigned to Associate Judges.

Democratic Sweep of State and County Aided By Slow Pace of National Economic Recovery

"We need Adlai badly," presidential campaign buttons of the 1950s proclaimed. Illinois voters took this thought to heart Tuesday, naming State Treasurer Adlai E. Stevenson III (D) as their new U. S. senator and terminating the brief service of Ralph T. Smith (R. Alton), who had been serving by appointment as the successor to the late Senator Dirksen.

The Democratic sweep in Illinois and Madison county in 1970 contrasted with 1968, when the two parties divided offices at both the top and bottom of the ticket.

Quad-Citiyans reflected the trend Tuesday, favoring Stevenson in most precincts despite the fact that Senator Smith is a native Granite Cityan. Pocketbook issues seem to have predominated, the national economic uptrend failing to materialize soon enough to salvage Republican hopes.

As Vice-President Agnew said, it was a "bittersweet" election for him and the national administration. President Nixon achieved a slightly more conservative Senate and House. The GOP gain in Senate, seats and its minor loss of House seats reversed the "off-year" pattern in which the presidential party traditionally loses several dozen Congressional posts.

But Democrats moved from an 18-32 disadvantage in governor positions to a clear majority and also succeeded in capturing control of several more state legislatures than before. As a consequence, the Democratic party will have a louder than expected voice in pending Congressional and state reapportionment decisions. And it will be in a strong contending position in the 1972 presidential sweepstakes, unless the GOP has achieved dramatic progress in prosperity, peace, urban and campus stability and environmental quality.

There is general satisfaction locally in the election of a Belleville man, State Senator Alan Dixon, as state treasurer. Of those newly elected, he will come the closest to being a spokesman for this region at Springfield, aided by new State Senator Sam Vadalabene and Representatives Robert Walters, Horace Calvo and Leland Kennedy.

The loss of Madison county's U. S. senator hurts, but there is a measure of consolation in the continued public service of another Madison county resident, Lieutenant Governor Paul Simon, who is certain to have the opportunity in 1972 to seek higher office.

Will Southwestern Illinois University Be The Result of Lt. Gov. Simon's Proposal?

Lieutenant Governor Paul Simon's call for separation of Southern Illinois University's Southwestern and Carbondale campuses in their governing structure provides considerable food for thought. As entirely separate universities, they would no longer rank near the top nationally in enrollment, but each would still have impressive qualitative and quantitative credentials.

Because the present lieutenant governor is the likely 1972 Democratic nominee for governor, his views carry added weight; the governor has a major voice in selecting higher education officials and in shaping state policy in this field. His residence in Madison county, the location of SIU-SW, attests to his familiarity with the subject.

There is no question but that the local campus benefited immensely from being developed by the experienced SIU board and administration. Through their experiences at Carbondale, they were able to avoid many pitfalls here, and wisely held out for the acquisition of a 2600-acre campus. The site may have seemed unnecessarily large to some nearby residents but it was not, as the rapid growth of the late 1960s showed. To start out too small and then have to expand piecemeal but would have been a serious, costly mistake.

Born simultaneously with the Chicago campus of the University of Illinois, thanks to a successful statewide bond referendum, SIU-SW also enjoyed the already established legislative clout of the parent institution. This influence has diminished in recent months but, fortunately, many state officials—though not all—now recognize how vital a state university is to southwestern Illinois, the state's No. 2 population center.

The question which Lt. Gov. Simon raises and answers is whether bigness creates its own problems. He cites disruption of the spring 1970 term at Carbondale, and looks with uneasiness on U. of Illinois projections of 52,000 to 78,000 students under its supervision in future years.

We agree that enrollment can become unwieldy, although the campus here is far from that point and still lacks many needed facilities and programs.

If weighted-toward-the-north geographical thinking can be set aside by the state and if the needs of this region can be evaluated on the basis of their actual merit, we are confident that SIU-SW is ready to stand on its own feet—and that it has leadership capable of handling the wider responsibilities of full autonomy.

A name would be no problem for the university. Southwestern Illinois University would be an accurate description and would conform to the title of the organization which solicited the original funds for campus land.

New Regional Forum Helpful Extension of East-West Gateway Coordinating Council

Appointment of Carl E. Mathias and Kiril Kirchoff, both of Granite City, to the Regional Forum gives the Quad-City area a deserved and a greatly increased voice in the deliberations of the East-West Gateway Coordinating Council. Others named to the new 21-member Forum include Larry Sumner, SIU-SW student body president, and Edwin Meissner jr., senior vice-president of General Steel Industries.

Purpose of the Regional Forum is to provide broad-based citizen participation in Gateway Council efforts to solve metropolitan area problems.

The Council itself, which includes Henry D. Karandjeff of Granite City, consists of bi-state public and planning officials; its role includes coordinating those projects which utilize federal tax aid, a definition which covers nearly every imaginable government-related improvement in this section of Illinois and Missouri.

The challenge facing the Gateway Council is a tremendous one, especially in view of the fact that the St. Louis area at present is not expanding or prospering as much as some of the other major metropolitan regions. Establishment of the Regional Forum will not only provide greater representation for the diverse interests of Illinoisans and Missourians, but should also help the Gateway Council succeed in achieving sound and orderly future growth.

Extensions, Terminations of Child Support Payments Are Explained

(Tri-City and Illinois Bar Associations)

The divorced father who feels financially restricted by child support payments may find some comfort in knowing that occasion such payments can be terminated before his children reach majority.

A divorced parent knows that when he consents to the adoption of his child, he relinquishes all rights to the adopting parents — and he becomes secondarily liable for the support of the child.

That is, if the adoptive parents become unable or unwilling to provide such support, he may be called upon to support them.

However, support payments may also stop before the child reaches his majority (18 for girls, 21 for boys) if the child becomes emancipated, or "on his own."

Emancipation occurs under any one of the following circumstances: (a) marriage of the child, (b) full-time employment of the child, or (c) induction of the child into the armed forces.

In the cases where a child has been emancipated by military service or full-time employment, it is suggested that a father obtain a court order before stopping payments.

This would not be necessary, of course, if the divorce decree specified that payments may be suspended under such circumstances.

The marriage of a child would be the only situation which would terminate the support obligation. In the other instances, the obligation is only suspended. Should the child cease to be self-supporting or be released from military service while he is still a minor, the court may be petitioned to reinstate the support order.

On the other hand, support payments may extend into adulthood if a child is physically or mentally disabled or is continuing his or her education. However, there must be a court order to require this continuation of support.

A divorced father should also remember that the amount of child support stated in the divorce decree can be increased by the court as his income, the cost of living and the children's needs materially increase.

It may also be possible to get a court order to have support payments reduced if a father should suffer a cut in pay.

Also, in some cases, a father may have to pay extra if his children should have extraordinary medical and dental expenses.

Many divorce decrees provide that ordinary medical and dental expenses are to be covered by the regular child support money and that extraordinary expenses, as defined in a typical agreement, must be borne by the father.

Major surgery and teeth straightening are usually classified as extraordinary expenses.

If his income warrants it, the father may be required to provide or contribute toward the child's college education.

A final word: the support obligation is one which goes across state lines and the father will have to continue making child support payments even if he or the mother should move to another state.

Financing of Political Campaigns

By LIEUTENANT GOVERNOR PAUL SIMON

A few days ago I sent the following letter:

Mr. Robert Cromie
Chicago Daily Tribune
435 North Michigan Avenue
Chicago, Illinois

Dear Bob:

Your column on financing political campaigns is excellent.

In 1907, President Theodore Roosevelt sent a special message to Congress calling for change in the system of financing politics in our country. There has been almost no fundamental change since that time — except for massive increases in costs.

Even the new bill in Congress to limit sums spent on radio and television would not appreciably reduce the total costs, though it might help.

The present system of financing campaigns too often makes public officials more responsive to pressures than needs, and I am personally convinced this is in large measure responsible for many of the difficulties which face us as a society today.

We have been pandering to the wants of the powerful to much too great a degree, rather than the needs of the many.

My last campaign was probably one of the most inexpensive campaigns ever conducted for a statewide office; we spent $108,000.

But that meant no billboards (except for six paid for us in the southern part of the state) and no television commercials. That, I assure you, is campaigning under a substantial handicap.

The dangers are:

1) That public office will be increasingly available only to the wealthy or the beholden.

2) That disproportionate amounts are spent on campaigns so that the public does not really have equal access to information, and distorted decisions are then made by the p[illegible]

3) That candidates, understandably feeling a sense of obligation to those who pay for a campaign, when elected distort their public priorities.

The method of financing campaigns needs some fundamental overhauling. Keep up your good work.

Working Together, Not Protesting Is the Key to Better Life for All

To the Editor:

Dear Mr. and Mrs. America—For the past few years I have watched the protestors, and I have heard the comments of our people on how they feel about our God and country.

The comments are startling! and the protests are frightening.

I often wonder if our servicemen don't ask themselves: Is this the country which I am so proud to serve, the country which at one time was so well known as the Christian country, the country that we call our homeland? Could this be my God's country?

I must answer "yes," this is God's country. Only we have all been living in a dream, hoping that somehow man can work things out.

Mr. and Mrs. America, we can work things out, but not by man alone. For only through God's love can and will our country survive.

Let's show our boys in Vietnam, Korea and Thailand that they do have a country to be proud of, to come home to.

We can show them, not by protesting, but by "we the people of the United States," working together—in the communities and the homes, and most of all by working with God.

The day we begin to serve God and country the best we can, on that day shall we see a beautiful homeland.

WALKER HIGHLIGHT OF HARTFORD ANNIVERSARY

To the Editor:

Movie star Clint Walker visited the place of his birth and early childhood during the three-day festivities as Hartford people celebrated the golden anniversary of the village.

Clint had made a previous visit just a decade ago. At that time, as he did on this occasion, he climbed atop the sleek, bright red village fire truck to ride during the parade.

The only difference was that in 1960, a torrential rain struck just as the parade got under way. He rode the entire parade route as though it were not raining. He became drenched along with those who lined the parade route to catch a view of their movie star hero.

This golden anniversary visit found clear skies and the six-foot six-inch, handsome giant was warm and friendly as he passed along the one-and-one-half-mile parade route, waving and saying "howdy" to all and engaging in short conversation with fans.

Walker had made a visit to Hartford on July 4 this year, undetected, while visiting his twin sister, Lucille Westbrook, in Belleville. At that time, he viewed the house where he was born and also the park which was named and dedicated in his honor during his 1960 visit.

This time, during the anniversary, special ceremonies were held at the park. He placed his feet and hands in fresh concrete, fulfilling a request made by the Historical Society of Hartford. A stainless steel plate attached and engraved reads "Footprint of Clint Walker—October 1970."

While Walker made three other appearances at the site of the festivities six blocks from the park, he again spoke to the crowd assembled here at the park on the sunny afternoon of the final day of the three-day festivities. His message, which will be remembered for its warmth, seemed to blend with the bright sunlight in the sky above as he revealed thoughts of his inner self.

In his talk, he said he did not believe in evolution and reminded all present that Master Engineer was watching and would help anyone achieve their highest potential.

"I know from personal experience," he said, "that what the Bible says is true: 'Seek and ye shall find.' "

Clint presented a scroll to village officials. It contained a poem by Dean Alfange which he said represented his philosophy. The fiftieth anniversary committee presented him with a plaque praising his work with the youth of America.

After the park ceremonies, with a busy day coming to a close for him, he remained for yet another hour to autograph for a long line of fans who waited, some with regular autograph books and many with just a small piece of paper. No one left the Clint Walker Park without the famous movie star's autograph.

Young and old alike were greatly touched by his down-to-earth kindness and friendly attitude toward the people in the town of his birth over four decades ago. While Clint belongs to Hartford, he also belongs to the state of Illinois and the whole U.S.A. He has proved beyond the shadow of a doubt his dedication to his fellow man.

Ruling Upheld by Appellate Court

NOVEMBER 5, 1945

The Appellate Court upheld a Circuit Court decision that it was illegal for the Granite City grade school board to dismiss Supt. A. M. Wilson. He was awarded $6000 salary at the rate of $400 monthly from July 1, 1943, date of the dismissal, to Sept. 30, 1944, less $2500 which he earned during that time while employed at the U. S. Cartridge Co., St. Louis.

Believing that a north-south highway paralleling the Mississippi River is "imperative due to the imminent construction of a canal and docks," Mayors Charles W. Moerlien, Steve Maeras and Edward Hagnauer of Granite City, Madison and Venice jointly requested a conference with Chief Illinois Highway Engineer W. W. Polk. Mayor Moerlien commented, "It is going to take a lot of push to get the highway, and we want to start right away and move as fast as we can."

EVENING GUILD PLANS ANNUAL LUNCHEON

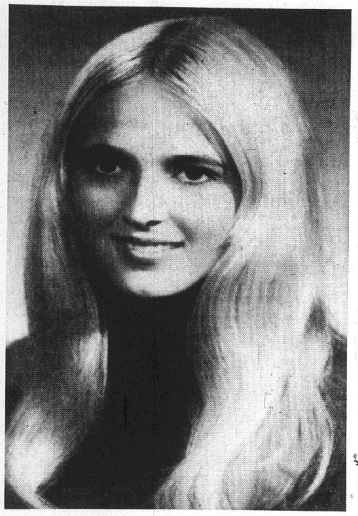

The October meeting of the Evening Guild of St. Peter United Church of Christ was held Monday evening at the church with Mrs. Pat Malottki presiding.

Miss Leona Wintermeyer led the devotional and Thank Offering ingathering service, assisted by Mrs. Shirley Glenn and Mrs. Dorothy Kinney. The proceeds from the thank offering boxes will be sent this year to St. Paul's United Church of Christ in Edwardsville to help in building a new church to replace the former Bluff Road Church which was destroyed by fire last spring.

Miss Rosemary Kaburecek, program chairman, conducted a panel discussion on some of the work being done by and with the youth of the denomination.

Final plans were made for the luncheon and book report to be given Nov. 14 at the church and announcement was made of some tickets still available at $2.50. The deadline for the ticket sale will be Nov. 11. Donations of bakery goods, candy and "white elephants" would be appreciated for sale in the home products booths which are to be set up at the luncheon, it was announced.

Refreshments were served to 28 members by Miss Ella Hoelscher, Miss Clara Hoelscher, Mrs. Frieda Bennington and Miss Thelma Weissenborn.

MISS PEGGY CARSON. Her parents, Mr. and Mrs. Robert S. Carson, 2147 Lee avenue, are announcing her engagement to Pvt. E2 Mickey W. Weiss.

JEFFREY DOWDY IS NINE

Jeffrey Dowdy, nine-year-old son of Mr. and Mrs. Tom Dowdy, 2601 Circle drive, celebrated his birthday during the weekend and in honor of the event entertained a group of his friends at a party at his home.

Those present were Melvin Rainey, Paul Mathis, Ricky Dowdy, Kenny Mtichell, Bobby Adams, Phillip Adams, Mark Dowdy, Kenny Dowdy, Gregory Shemwell, Kevin Shemwell, Lyndell Simpson, Tommy Nance, Clint Merchant, Elaine Dowdy, Mrs. Joyce Adams, Mrs. Dorothy Mathis and Mrs. Vella Rainey.

Refreshments were served and games were played. Prizes were won by Bobby Adams, Paul Mathis and Ricky Dowdy.

FIFTH QUARTER SKIT presented at the season's second Fifth Quarter sponsored by Young Life of the First Assembly of God Church. In the scene are, left to right, Deb Stein, Dave Williams and Mike Rapoff.

Dr. Nyardi Urges Area Students to Love Country

Dr. Nicholas Nyardi, director of international studies at Bradley University, spoke to junior and senior students Monday at assemblies at Granite City, Madison and Venice high schools. His topic was "Stronger than the Atom."

His appearances here came about at the request of the youth committee of the Tri-Cities Chamber of Commerce headed by Melvin Gillie.

He appealed to the youths to develop a love of God, a love of American citizenship, a love of American democracy and a love for fellow man which, in effect, would be stronger than the atom and the only way for our country to survive.

Dr. Nyardi asked the students to study all of the subjects they are taking as hard as they can and especially be very knowledgable of the history of our country, its assets and learn to make objective comparisons with other countries.

He told them that through this, they will develop an appreciation and understanding that our country is the best in the world and has the greatest potential.

Dr. Nyardj is a former finance minister of Hungary and currently is a special consultant to the U. S. State Department. He holds Ph.D. degrees in law and economics.

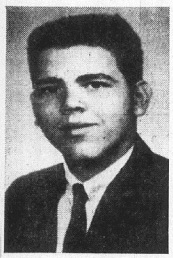

He was introduced at Venice by Ernestine Jones, a member of the chamber youth committee; at Madison by Jon Gardner, another committee member and president of the Student Council; and at Granite City by Dave Rouland, president of the Student Council.

Extra Skating Session Wednesday at Ice Rink

A special session for ice skaters is scheduled from 1 to 3:30 p.m. Wednesday at the Wilson Park rink pavilion.

Harold Brown, superintendent of Granite City parks, said the extra skating period has been arranged for local youngsters who will not attend school Wednesday due to the Veteran's Day holiday. Regular admission fees will be charged, he added.

350 GC Youths Attend Young Life 5th Quarter

This year's second football Fifth Quarter was supported by a crowd of 320 Granite City high school students last Friday following the Granite City-Edwardsville Homecoming game.

Honoring the GCHS cheerleading squad, the Young Life-sponsored event was held in the fellowship hall of the First Assembly of God Church, 24th street and Grand avenue. A full meal was served, supplemented by a program of skits concerning outstanding Warrior gridiron members.

The theme of a Fifth Quarter, "This Is Your Life," was presented in the form of baby pictures honoring Jeff Melzer, the second Warrior to receive it.

Trophies were awarded to two football players and two cheerleaders. Receiving them were senior Dennis Kunneman for the coveted "Up the Middle" award, junior Chuck Kraus for the "Mr. Pile-On" award, Alice Rodell for the "Miss Sportsmanship" award, and Mickey Pratte for the "Keep Up Bertha" award.

The third and final football Fifth Quarter, honoring the coaching staff, will be held Nov. 13 immediately following the Granite - Belleville - West game. The price of admission will again be 75 cents per person or $1.25 per couple.

As a special feature, a skit satirizing a normal Red Pepper board meeting will be performed. Trophies will be given to coaches who have won renown in the eyes of the Warriors.

Grace Baptist Plans Youth Coffee House

A coffee house will be operated for area youth from 9 p.m. to midnight Friday at Grace Baptist Church, 2600 Edwards street.

Jeff and Randy Milliken, president and chairman of the Friday evening events, are the sponsors.

Entertainment will be provided by Bill Young, drummer, and Keith Catani and Dave Richardson, guitarists.

Council Approves Vacation of Iowa Street

The vacation of Iowa street from 21st street to Niedringhaus avenue, a controversial proposal that involved lengthy debate in two previous meetings and was once rejected, was approved by the Granite City council with only one dissenting vote Monday night.

The vacation was sought in behalf of St. Elizabeth Hospital to facilitate use of the new hospital addition which will have an emergency exit and entrance on Iowa street. The plan ran into considerable opposition from some council members who insisted the action would eliminate parking facilities.

A motion to vacate the street was declared carried in a meeting of the council Sept. 8 when 11 council members voted in favor of the proposal. City Attorney Leon Scroggins, at the request of aldermen opposing the vacation, later provided a legal opinion which held that a two-thirds council vote of 11¼ votes, or 12 members of the council, were required to approve the proposal.

Approval of the vacation came Monday night near the close of the regular council session on a motion by Alderman Clyde Boyd who moved that the council reconsider its previous action (the ruling rejecting the proposal).

Opposes Proposal

Alderman Sam Whitmer who had opposed the plan on previous occasions, cast the only "no" vote. Aldermen Steve Basarich and Gerald Parmley were absent.

Boyd's motion to reconsider the proposal carried 12 to 1. Boyd then moved to vacate the street and the motion carried, again by a vote of 12 to 1.

"I voted against this before and I'll vote against it again this time," Whitmer said, "because it is the only through street in that area and will eliminate a lot of parking.

"There are a lot of people who would rather park on the street for 5 cents in a parking meter than pay 35 cents in a parking lot (the hospital parking lot)" Whitmer said.

Council members also went along Monday night with a motion by Alderman R. E. Robertson, chairman of the Finance Committee, to separate from the claim list and delay payment of $1977 in engineering fees billed by the Research Planning and Design Associates, the city's consulting engineering firm.

It was the second consecutive meeting in which Robertson, backed by the members of the finance committee, held up fee claims of the firm. In its previous meeting the council delayed payment of a $1000 claim, also for engineering services.

Protests Delay

Alderman Paul Rutledge protested the action, pointing out that the firm had performed the services "and they have obligations to meet. How long are they going to be able to do this work if they can't get paid? . . . I know what is behind all this but I am not going to go into it here," Rutledge added.

Robertson said that he had discussed the delay with Kenneth Kleeberger of the engineering firm "and he knows we are going to hold this up. We just want to discuss things with him." The council approved a motion, however, that both claims be included on the next bill list presented to the council.

Bills totaling $25,967 out of the general fund were approved. Claims of $2065 to be paid out of the sewage treatment fund also were approved.

Council members also arranged to meet with a committee of the Tri-City Bar Association to discuss filing of a large number of law suits against Granite City. Council members are seeking to determine what is prompting a flood of damage suits resulting primarily from falls.

Tri-City Grocery Presents Annual Awards at Dinner

Tri-City Grocery Co. paid tribute Monday to its 25-Year Club with a dinner dance at Augustine's restaurant, Belleville.

About 500 store managers, office and warehouse executives and their wives and invited guests were in attendance.

Delphine Crockett of the firm's Wilshire Village supermarket in East Alton was chosen as "checker of the year" from about 300 checkers of the company who participated in a recent voting contest. Her prize was a portable television set.

Jim Foster, grocery manager of the firm's Carlinville supermarket, accepted a plaque from President S. E. Pershall jr. for having the outstanding grocery department.

Terry Long, meat manager of the Hazelwood, Mo., supermarket, received a plaque for the outstanding meat department.

Pershall also presented new service award pins to all 25-year or more employees. Special recognition was given to Charles Drennan and Dwight Jackson for over 50 years of service with the company.

Entertainment and dancing followed the presentations.

Traction Important in Winter Driving--Veizer

Inadequate traction is one of the main reasons Granite City drivers are involved in winter crashes.

Chief of Police Ronald J. Veizer made this observation today after reviewing traffic statistics from last year.

"Winter-slick roads demand different driving habits," Chief Veizer pointed out; and he offered common-sense countermeasures for drivers.

'Slow down. Brake easy and early. Plan each maneuver in advance to avoid sudden changes in either speed or direction."

In addition to skidding and control problems on snow or ice, the chief reminded motorists that winter brings wet pavements. And wet pavements bring about a problem known as "hydroplaning."

Hydroplaning Explained

Hydroplaning, Chief Veizer explained, is the tendency of a car's tires to ride up—to float—on a layer of water covering the road. The tires lose contact with the pavement.

"Just when hydroplaning happens depends on the speed, the amount of water, the tires and the weight of the vehicle," the chief said. "It usually affects the front wheels. Steering is lost without the driver's realizing it until he tries to turn and he can't."

The trick, according to the chief, is to slow down to let the tires break through the water film and grab the pavement once again. Good tires treads, of course, help considerably.

Winter Hazards

Chief Veizer also cited a warning released by the National Safety Council's Committee on Winter Driving Hazards:

Traction aids such as studded tires and tire chains on the rear wheels only can increase traction considerably, but they're of little value in helping a driver maintain steering ability unless used on all four wheels.

Studded tires on the rear wheels only, for instance, develop about three times the pulling ability of regular tires on glare ice; while reinforced tire chains provide about seven times the pulling ability of regular tires.

But even so, these products on the rear wheels only do not appreciably improve cornering ability because the front wheels are "unprotected."

Steering Control

As in hydroplaning, steering control on hard-packed snow or ice can be lost: Too late, the driver realizes he can't control his car. His front wheels are sliding, even though he still has driving traction through the rear wheels.

Chief Veizer concluded: "Drivers must recognize the serious limitations of driving on slippery pavements and develop common-sense driving techniques to compensate for these limitations.

"Finally, drivers should take advantage of the built-in safety features of modern cars as well as special safety equipment by utilizing them sensibly."

Crime-Fighting Grant of $15 Million Expected

Gov. Richard B. Ogilvie has been notified that Illinois will receive more than $15 million in federal crime-fighting funds for fiscal 1971. The grant, from the federal Law Enforcement Assistance Administration to the Illinois Law Enforcement Commission, is for ILEC's full request.

"The 1971 allocation is more than 50 per cent greater than the 1970 grant," Ogilvie said, "and demonstrates the respect our Illinois program has won among all states."

YOUR Independent Insurance AGENT SERVES YOU FIRST

You may never hear about the best insurance policy of all.

Ask a company insurance salesman what's new in home and car insurance. He'll tell you — the very latest word from the one insurance company he works for.

But the hitch is, there are new policies being developed all the time for your home, your car, your business. Some give you better coverage. Some cost less. Some are better and cost less too.

How will you ever know?

Simple. Call an INDEPENDENT agent. He's an expert who represents not one, but several reliable companies. He knows what's new and better in the business.

You may be losing money right now because you didn't get the advice of an independent agent. (It doesn't cost you a cent!)

This symbol is your assurance that we are professional independent agents.

Other Problems Good Exercise Can Help

* Headache * Menstrual Cramps * Many Back Problems * Irregularity * Stiffness and Arthritis Pain * Sleeping Difficulties * Tensions * Lack of Circulation * Indigestion

RECENT RESULTS:
Loretta Allen of Granite City lost a total of 20½" from Oct. 5 to Oct. 26, which included 4½" from the waist, 1" hips and bust, 2" upper abdomen and 3½" from her thighs.

Another lady wrote: Dear Pat: The Slim-Gym has helped me with my back problems quite a bit. I can honestly say it did as much for me as the exercises and traction at the hospital did.

A FAMILIAR SIGHT during the weekend was groups of costumed children such as these Trick or Treaters. This group was among more than 150 children who spent the Halloween weekend Trick or Treating for the United Nations Children's Fund. The children, from the Mitchell Baptist Church, are receiving a donation from Mrs. W. J. Richardson, Mitchell. They are, left to right, Mary Grawell, Nicky Thorndyke, Cindy Reagan and Paula Reagan. Escorting the group was Robert Strong, at right.

Elks Youth Leadership Awards to Be Given

Granite City Elks Lodge 1063 has begupn its yearly Youth Leadership Contest, which will close Friday, Dec. 4. The contest is directed twoard boys and girls who are leaders in their schools.

They may be good scholars, but that is not a requirement or particularly a necessity, an Elks official said.

They should be the type of student who, by reason of conduct, ability and actions, is looked up to for guidance, counsel and leadership.

The contest is not connected with Elks scholarship competition. It is for youth leadership only and is open to all students who are enrolled in high school at the time of entry and who will not reach their 19th birthday before July 1, 1971.

Only one boy and one girl will be judged as winners by the local lodge. The winners will receive a $50 U.S. savings bond on December 22.

Last year, a local student won the second prize state-wide. Awards in the new contest will include:

District winners—boy and girl, $100 cash.

State winners—boy and girl, $300 in U.S. savings bonds.

National winners — boy and girl, first prize $2000 U.S. savings bonds, second prize, $1600 U.S. savings bonds and third prize, $1250 U.S. savings bonds.

Elks youth activities chairman is George M. Gordon. The co-chairman is Ivon Pomeroy.

PROGRAM FOR FESTIVAL

Election of officers for November was held during a meeting of Sacred Heart Brownie Troop 495 at the school Monday. Leaders are Mrs. Pat McKee, Mrs. Barbara Walker and Mrs. Carol Squires.

The session was called to order with a flag ceremony. Suzanne Pashea was elected president for the month, Elizabeth Gain treasurer, Clara Vaughn scribe and Patty Petty, historian.

The troop discussed a program that it will perform for the annual Neighborhood Three "festival of giving" Dec. 13.

Answering roll call were the new officers and Rebecca Bell, Kim Bowers, Linda DeGonia, Mary Davis Laura Gabriel, Cindy Gammon, Diane Gunther, Joan Hauptman, Connie Jacobson, Mary Lee Mitchell, Sandra Pashea, Loretta Heagy, Cathy Reznack and Susan Squires.

PLAN SWIMMING PARTY

Plans were made for a swimming party and a campout for Webster school Junior Girl Scout Troop 704 as it assembled with the leaders, Mrs. Mae Lee and Mrs. Betty Van Gilder, at the school Monday. The Speed Demons patrol conducted an opening ceremony that included singing of "America the Beautiful."

The troop discussed calendar sales and an aquatic party at the YMCA, Nov. 11 with Junior Troop 29, led by Mrs. Eva Arbogast and Mrs. Pat Eaton. Also discussed was a camping trip Nov. 13-15 to Camp Chan-Ya-Ta with Marshall school Junior Troop 709, led by Mrs. Jo Stephens and Mrs. Vivian Davis.

Julia Forys, Shelley Siebert, Donna Long, Leisa Tervasi, Dannia DePew, Tammy Fritz, Janice Van Gilder and Cheryl Brinkley were chosen to assist with the program for the Dec. 13 "festival of giving."

The remainder of the meeting was spent talking about badges that the scouts would like to earn and a birthday observance to be held next week.

Others attending were Jackie Chapline, Enid Cox, Tammy DePew, Jackie Fry, Rebecca Grimes, Colleen Jackson, Carina Kuhn, Shirley Patton, Rebecca Schorfhiede, Robyn Starks, Lori Taylor, Leean Thomasson, Susan Welty, Pam Williams, Vicki Williams and Cheryl York.

Student at SIU-SW Placed on Probation

One student has been placed on disciplinary probation and charges are pending against two others as the result of their arrest in Philadelphia Sept. 4, Ramon Williamson, dean of students at Southern Illinois University-Southwestern, announced.

Robert Duncan, East St. Louis, has been placed on probation. He and two others were among 22 arrested in Philadelphia and booked on a number of charges after guns and ammunition were discovered in three vehicles. One of the vehicles was an SIU-SW automobile driven by students enroute to a convention.

Under terms of the probation, Duncan can continue to attend classes, but any further infraction of university regulations during the next year will lead to immediate dismissal, Dean Williamson said. Philadelphia charges against Duncan were dismissed.

Disciplinary action is still pending against Samford Scott and Melvin Owens, both of East St. Louis. Scott is awaiting trial in Philadelphia on charges of possession of firearms. No decision on Scott's case will be announced until after disposition of the Philadelphia case.

Owens is not currently enrolled at SIU-SW and the Philadelphia charges against him have been dropped. If Owens applies for readmission to the university his case will be considered at that time, the dean said.

Lavoy Reed, the fourth person in the SIU-SW car, graduated from the university last June.

Cost of Littering

Littering the Lake Carlyle area may cost litterbugs from $25 to $300 in fines, according to Bill Miller, the state conservation department's new full law enforcement officer. The litterabatement program was initiated following clogging of the Carlyle water intake. Miller said 500 sacks were filled with litter accumulated between the dam and the bridge at the City of Carlyle in a three-week period. He said rats are attracted to the littered areas.

GIRLS OF SWEDISH DESCENT in native costumes examine remnants of their unique heritage at Bishop Hill, located in western Illinois. The largest restored Scandinavian settlement in the Midwes Bishop Hill began as a communal colony in 18 Today, it is called a "living museum."

Black Hawk Park, Bishop Hill Attracting Thousands

High on a bluff, rising some 200 feet in the air stands the Black Hawk Watch Tower. Below, the Rock River flows quietly past.

The scene? Beautiful Black Hawk State Park near Rock Island, Ill.

Close by is the big memorial statue to this Indian known for his fierce determination. This is the spot from which the chief watched for enemies or just gazed over the beautiful water.

Today, you will not see an enemy nearby but you will enjoy the view even more than the chief.

This site was the capital of the Sauk and Fox Indian nations, and one can learn much about these people from the museum on the park grounds.

The Indians come back each Labor Day weekend to hold a pow-wow in a natural bowl with a background of giant trees in which the state has built an amphitheatre that holds 5500 people.

Arsenal Island

Arsenal Island, just across from the city of Rock Island, was used as an ordnance depot during the Civil War, then as a prison for Confederate troops.

A place of great scenic beauty, it is the location of both the John M. Browning Memorial Museum and the Confederate cemetery.

The Rock Island Arsenal occupies the greater portion of the island, and stores a large portion of the nation's war supplies.

The only building open to the public is the museum, which contains a number of weapons ranging from spears to modern artillery.

Ancient Farm

Just to the east on Illinois Highway 6 is the Johnson "1910 Farm," where visitors can experience a way of life long gone by.

Here you will find a 130-year-old farmhouse, authentic country school, old vehicles, equipment and tools, sample crops of the period, prairie sod, workmen in costume, and timbered picnic areas with hiking trails.

Depending upon when you arrive, there may be demonstrations of butter making, rope making, chair caning, horse-drawn rides, and oldtime fiddles playing, an antique car drive-in or a flea market.

It's all good, old-time, clean fun. A great chance to give the wee ones in the family a taste of what life was like in the old times.

Authentic Village

Just south of the farm is Bishop Hill, a living museum dedicated to a 19th century dream.

This authentic 1850 Scandinavian village was a communal Christian colony founded by Erik Jansson and his followers, who walked the 160 miles from Chicago after immigrating to the United States following a clash with the state church of Sweden.

At Bishop Hill you walk in the footsteps of these brave and determined people. There is much to see.

You can watch the demonstrations of pioneer crafts, visit antique shops and museums, or you can stroll down the Kopojke Trail along the Edwards River.

The village was an experiment in Utopia. Land was communally owned. Food was communally prepared. Homes were communally shared. All work was strictly regimented.

Many of the handsome buildings are open.

A visit to this largest restored Scandinavian settlement in mid-America is another example of how the New Illinois has done its best to preserve much of the Old Illinois for future generations to enjoy.

Parking Meter Income For Ten Months is Up

Parking meter revenue during October totaled $4558, including $2950 in meter fees and $1608 in fines assessed for meter violations, according to a report by City Clerk Robert Stevens.

The October meter income was $179 more than the $4379 collected in September — $3800 in meter fees and $779 in fines. Collections last month were $949 less than those of August which hit a peak of $5507 for the single month as the result of a drive to collect unpaid tickets for overparking. Fees in August amounted to only $2650, but fines accounted for $2857, an all-time record collection of fines for any single month.

October collections brought to $40,435 the total amount of fines and fees received for meter operation during the ten months of this year, or $2281 more than the $38,154 received during the same ten-month period of 196[illegible].

Meters operated on 27 days during October, accounting for a daily average income of $161. This compared with a daily average income of $172 for 23 days in September and a daily average income of $211 for 16 operating days in August.

17 New Scout Leaders Complete Training

Seventeen new scout leaders now agree that the key to a good scout program is trained adult leadership. The men participated in a seven-night and one weekend training course held at the Mitchell scout hall.

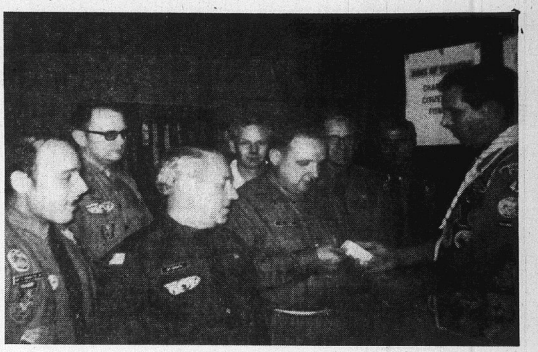

The course was designed to assist scout leaders in learning how to operate the Boy Scout program in a learn-by-doing situation.

The men formed into patrols, elected their own patrol leaders, senior patrol leader, and for seven Wednesday nights and a weekend became "Boy Scouts."

Ten of the seventeen finished the entire course, and make-up sessions are now being scheduled with Floyd Jordon, district training chairman, for those who missed a night.

Those completing the training and receiving certificates were Ray Gaudette jr., Reginald Mennerick, Luther Shaffer, James Aldridge, Kenneth Clark, Dale Pointer, Noah Gilbreth, Anthony Boyer and Gene Gloninhger.
